## Model Car Contest Draws 132 Contesting Exhibits

Harold Cardiff, of Card's Cycle and Hobby Shop, reports that his Model Car Championship Contest went full tilt this year, drawing in 132 contestants from the Antioch area and surrounding communities.

This local contest prefaces the national "Arcora Model Motoring Contest" to be held soon.

With an offering of 4 trophies and ribbons, topped by an overall grand prize of a 1930 Packard Sport Phaeton all-metal kit, the contest opened January 2. Closing date for entries was last Friday, February 16, with the judging being done on Saturday.

Judges for the contest on Saturday were Ray Toft and Edgar Simonsen who evaluated the model cars entered according to beauty, originality and craftsmanship.

Those entering the contest were split into two age groups — junior, up to 13 yrs. old and seniors, 13 yrs. or older.

The contestants were allowed to enter as many models as they wished, the results being a representation of everything from a 1912 Stanley Steamer to the 1962 present-day models. The most popular model entered was the 1929 Ford.

First place winner in the junior division was Tim Barty, 11, of Trevor, who entered a '29 Ford. Second was Richard Grabowski, 11, of Fox Lake with a custom pick-up. Stan Horton, 12, of Antioch and Calvin Maule, 10, also of Antioch, were runner-up ribbon winners with a '29 Ford, '25 Ford, and an 'F-85 Oldsmobile respectively. Another junior ribbon winner was B. Wolfel, 12, of Antioch who placed with a long-john dragster.

In the senior division, First Place went to Walter Dragon, 13, of Salem, who showed a '40 Ford coupe. Second place was taken by Joan Alvers, 24, of Antioch, with a '32 Ford.

## Club Donates \$300 To Hos. In Lake Villa

The Countryside Hospital Association met at the Lake Villa Grade School Tuesday, Feb. 13, with 25 persons in attendance.

In the discussion of business, it was brought out that the association does own the 17 acre site for the hospital, and those that were eligible voted to retain the services of Dr. Charles Letourneau, who has completed the first phase of a hospital survey and is ready to continue.

Donations made at the meeting included one from the Fox Lake Garden Club for \$300, presented by their delegate, Mrs. Eleanor Kavours. Also, the Long Lake Women's Club donated \$10, which amount allows a group to have a delegate with voting privileges. Any individual desiring to donate \$10 may also have voting privileges at the association meetings.

All present delegates are urged to attend the meetings, held on the second Tuesday of the month, at 7:30 p.m. in the Lake Villa Grade School. And a cordial invitation is extended by the association to any group or individual interested in working with this important organization, to bring a hospital closer to this area.

## Judges to Train For Polling Jobs

The Antioch Grade School will host instruction classes for polling judges in this area beginning Feb. 28 at 7:30 p.m. Those attending the classes, which will be taught by County Clerk Garfield Leaf, comprise judges of the First Judicial District.

Entered in the classes will be instructions concerned with the functions of judges at the election polls and their methods of operations. This district includes Avon, Antioch, Grant and Lake Villa Townships.

Only upon successful completion of the examination given after these classes have been finished can a judge qualify for poll activity.

Third Place winner, Sandy Murawski, 20, of Antioch also represented a fine model.

The cars will be kept on display in Card's show window for an indefinite period.

# Bidders Rush Forward On Sewer-Water Plans

## Students To Hold Spring Tryouts

"Father of the Bride" has been selected as the Grant High School spring play and try-outs are in progress. A total of thirty-four students are auditioning for parts. Committees are still to be formed to handle tickets, publicity, properties and stage construction. The Grant Theatre Club is working closely with the sponsors, the senior class, in all phases of the production.

To elevate the type of theatre at Grant a number of innovations are being made. There will be reserved seats, printed programs, ushers and advertising so that people will attend plays in correct dress and with the correct attitude.

Many people will remember seeing the television version of "Father of the Bride" and will now have the opportunity to see the original version.

Dates for the play are March 30 and 31 at 8:00 p.m. in the Grant auditorium.

## Deputies Nab Illegal Still

The Waukegan Sheriff's Office apprehended a moonshiner in Antioch Township, in the basement of a house located on Rte. 45, north of Loon Lake last Thursday, Feb. 15, at about 7:30 p.m. The Sheriff's deputies, after having received a tip about the still's operation, obtained a search warrant and entered the house.

Arrested was James W. Murrie, a resident from this locale.

He was charged with the manufacture of alcoholic beverage without a license. He will appear before Antioch Police Magistrate Rudy Eckert in Antioch.

Along with making the arrest and the finding of the still's location, the deputies carted off the still, copper cookers, 150 pounds of corn mash and mash fermentation.

## Permit Issued Local Driver

Secretary of State, Charles F. Carpenter recently reported that John J. Matusek of Antioch was issued a probationary permit after incurring traffic violations.

The report was forthcoming through Carpenter's divisional office of the Drivers License Division.

## Ammonia Inhaled, Oxygen Administered

The Antioch Rescue Squad was called to attend Mrs. Lupa of Lupa's Resort on Grass Lake Rd. last Friday night at 5:30 p.m.

Mrs. Lupa had been overcome by inhaling ammonia fumes from cleaning fluid she happened to be using at the time.

Members of the Rescue Squad treated her in her home by administering oxygen.

## Local Child Suffers From Lack of Breath

Nancy Willett, 9, of Antioch, suffered difficulty in breathing last Monday evening, February 19, at 7 p.m. She was taken to Victory Memorial Hospital in Waukegan by the Antioch Rescue Squad.

The attending physician was Dr. Berke.

## Heart Attack Victim Taken to Victory Hosp.

Mike Novak, 69, of Felter's Subdivision suffered a heart attack last Monday morning at 10:45 a.m.

Mr. Novak, whose home is located on North Avenue in Antioch was taken to the Victory Memorial Hospital by the Antioch Rescue Squad.

Both Doctors Thain and Abderholden attended the stricken man.

Sister Mary Edmund of the St. Therese Hospital.

President M. Cunningham happily reported that interest in the Water and Sewer Project in Antioch was reaching widespread proportions. To date, approximately 25 bidders have gleaned the plans and specifications provided by village engineer, Dave Miller, causing him to have more printed up for study by added bidders.

The Disposal Plant Project has received keen interest from construction companies located in Janesville, Chicago, Waukegan, Deerfield, Round Lake and even Alabama.

The Water Tower Project has drawn interest from similar areas.

"I'm pleased to hear of so many interested bidders," Cunningham stated. He went on to add that March 6 would be the final deadline for the placement of bids. Tabulations of the bids by Engineer Miller, who is responsible for checking the completeness of all bids, should require about ten days. This would mean that on or about March 17, the approved bids will be formally accepted by the village board.

Each bidder is expected to post a bond for the protection of the Village. This provides financial security for the project. This is necessary so that "we can save the taxpayers as much money as possible."

"We received a real good response on the advertising of bids," the President said. "It was much better than I expected."

The president felt that the opening of the project to construction interests was scheduled at the best time of the year since most companies interested would be definitely seeking spring-summer-fall work.

The project, extremely large in work proportions, finds the local construction companies not participating heavily in the venture. The reason behind this lies in the fact that their facilities are limited and their bonding power inadequate. Nevertheless, Cunningham expressed a desire to see "the local outfits" participate if at all possible.

The estimated date for the beginning of the construction on all forms of the major water and sewer plan is expected by the board to be April 1. If this holds true, a possibility of the project being completed before next Christmas, may evolve.

Cunningham explained that the old sewer laterals were inadequate for Antioch's present-day usage. He considered the village "ten years behind" on the project and felt its completion sorely needed.

The present water tower, for example, only holds 150,000 gallons of water to service the entire community. Cunningham felt that this too was highly inadequate. The new tower will capacitate 450,000 gal. storage and the new 10-inch water main to be constructed off of Anita Avenue will supply needed pressure to the whole village. Coupled with the water tower, the plant and mains will lower the insurance rates of village property.

Attending the meeting was Chuck Billings, chairman of the dance, Helen Burke, secretary, William Wood of Avon precinct four, John Killar, Lake Villa three; Leo Steffen, Grant five and Elmer Wolff, Lake Villa four.

The group reported that tickets are now available from your Republican precinct committeeman.

The dance will be held at the Round Lake American Legion Hall and is slated for February 24, this coming Saturday night.

Future Parents Attend Hosp. Lectures & Tours

A series of classes for expectant parents will begin at St. Therese Hospital School of Nursing, Waukegan, on Tuesday, Feb. 27, from 7 to 9 p.m. The series extends for four consecutive Tuesdays.

Classes include lectures, tour of the maternity department, demonstrations, relaxation techniques, and films, designed to help expectant parents prepare, physically, emotionally and spiritually for the coming of the new baby and to give proper care for normal growth and development during the first years. Both parents are encouraged to attend.

Ken Racine, Publicity Chairman of ATHS's Fine Arts Department, reports that plans are being realized for the school's oncoming production of "Brigadoon."

The musical, written by Alan Jay Lerner and Frederick Loewe, will be produced March 9 and 10 at the high school and is expected to be one of the biggest shows ever seen in Antioch.

Opening on Broadway at the Ziegfeld Theater in New York, March, 1947, the musical fantasy ran for 551 consecutive performances. This successful run extended into August of 1958.

The writer-composer team of Lerner and Loewe were also responsible for the now-famous productions of "Paint Your Wagon", "My Fair Lady" and the current production of "Camelot".

The musical was adapted into a motion picture several years ago starring Gene Kelly, Cyd Charisse and Van Johnson.

Concerned with two young Americans busy hunting in Scotland, the story follows them as they lose their way winding up in a magical village which comes to life every hundred years for the period of one day.

Seen in the title rolls are Jim Bill Cain and Steve Chandler as the American hunters. Judie Turner portrays a scottish lassie. Others in the cast include, Ken Racine, Eileen Heubner, Sandee Drucker, Ken Anderson, Betty Amendola, Roy Miller, Ken Shewan and Harriet Wells.

An 18-piece band will accompany the actors and singers of this fine musical.

The production is directed by Della Mae Tronchuk (vocal and dramatics) with Joseph Rush handling the score.

## Car Rolls On Nearby Curve

Leslie Sullivan, 16, of Antioch, was treated for minor injuries last Friday night after his car went out of control on Rte. 173.

Proceeding east on 173 at a curve, Sullivan lost control of his car which rolled over a couple of times before coming to rest on a nearby shoulder of the road.

The sheriff's car took the youth to Dr. Abderholden who administered treatment.

The accident happened 1 mile west of Rte. 59 on Rte. 173 at 11:22 p.m.

## "Brigadoon" Scheduled for March By ATHS Fine Arts Department

Ken Racine, Publicity Chairman of ATHS's Fine Arts Department, reports that plans are being realized for the school's oncoming production of "Brigadoon."

The musical, written by Alan Jay Lerner and Frederick Loewe, will be produced March 9 and 10 at the high school and is expected to be one of the biggest shows ever seen in Antioch.

Opening on Broadway at the Ziegfeld Theater in New York, March, 1947, the musical fantasy ran for 551 consecutive performances. This successful run extended into August of 1958.

The writer-composer team of Lerner and Loewe were also responsible for the now-famous productions of "Paint Your Wagon", "My Fair Lady" and the current production of "Camelot".

The musical was adapted into a motion picture several years ago starring Gene Kelly, Cyd Charisse and Van Johnson.

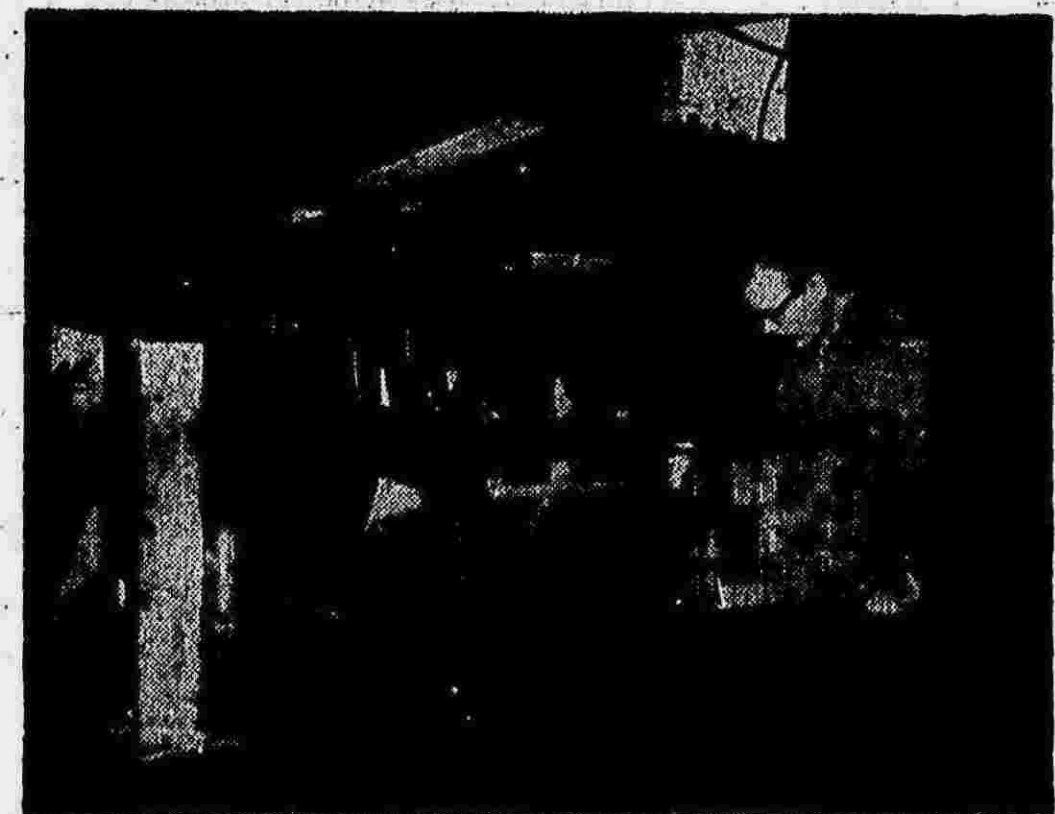

Concerned with two young Americans busy hunting in Scotland, the story follows them as they lose their way winding up in a magical village which comes to life every hundred years for the period of one day.

Seen in the title rolls are Jim Bill Cain and Steve Chandler as the American hunters. Judie Turner portrays a scottish lassie. Others in the cast include, Ken Racine, Eileen Heubner, Sandee Drucker, Ken Anderson, Betty Amendola, Roy Miller, Ken Shewan and Harriet Wells.

An 18-piece band will accompany the actors and singers of this fine musical.

The production is directed by Della Mae Tronchuk (vocal and dramatics) with Joseph Rush handling the score.

## "Old Cotty" Retired From Printing The Antioch News

Harold Gaston is shown here lifting the last chase of type onto the old Cottrell press before its last run for the Antioch News. (Antioch News photo)

Feeding "Old Cotty" single sheets of newsprint and operating her well-worn mechanism, Harold and Don Gaston observe a loyal worker. (Antioch News Photo)

The Antioch News, recently incorporated, will say farewell to its staunchest friend and steadfast worker, the C. B. Cottrell Press, which has for 76 years printed this newspaper.

One of the finest products of the C. B. Cottrell & Sons company out of New York in the 19th century, the press has served the News well — never requiring a major repair and never once missing an edition.

Many printers and editors have labored through the years over her and her time of operation has lingered beyond some of their lives. Her steady "bump-thud" could be heard throughout the week as the newspaper was being churned out.

Harold Gaston, who has operated the press since 1935, recalls that his father, Mr. Homer Gaston, purchasing the paper in 1926, would notice that the press's rollers would begin to melt in the hot summer months and in order to protect them would take them over to King's Drugstore and place them in a freezer.

Donald Gaston, Robert Gaston and Elmer Dieball have also operated the "old Cotty" for many years.

An original weekly newspaper, the press is sheet-fed by hand and is a drum-cylinder flat-bed which typified the printing efforts of the last century. Going full steam the press rolled off 1500 copies of the newspaper per hour.

The Cottrell will be replaced with a Cox-o-type press carrying rolls of paper instead of sheets and able to print 3500 8-page section, plus folding.

The new press will alter somewhat the appearance of the Antioch News—the newspaper being enlarged to an 8-column page.

Printing its last issue of the Antioch News, this edition, the Cottrell is being donated to the Lake County Historical Museum.

## Aids Diabetic Sufferer

Sister Mary Edmund of St. Peter's was taken to the hospital last Saturday afternoon at 2:30 p.m. She had suffered a diabetic seizure and was treated by Dr. Abderholden.

The Antioch Rescue Squad delivered

## EDITORIAL

## THE SOUND BOOMERS

For the past several weeks, residents of the Antioch Township areas have been plagued with a series of unidentified explosions, usually one in the evening occurring about 7:50 p.m.

In some areas only a pocketed dull thud is heard, in others a slight shaking of buildings' foundation is reported. In other areas, such as Wadsworth, these explosions have caused windows to shatter.

The explanation of the Waukegan Sheriff's Office is simply that the Air Force is flying high speed jets out of Milwaukee and their propulsion blasts are the cause for the explosions.

Whether or not the Air Force in Milwaukee, or anywhere else for that matter, realizes what kind of physical danger is posed by these blasts is not forthcoming.

These high-flying jets are supposed to keep within air channels over Lake Michigan. It appears to us however that this directive has not been observed and that the jets flying nearby are way off course.

More than just the planes' directives are off course in this matter. We believe that the Air Force, although to be commended for its nuclear and atomic advances, sometimes is inconsiderate of civilian elements which neighbor the courses of their air channels.

It is quite possible that several persons even in the village locale of Antioch could be seriously injured by flying glass shattered by sound-booms.

Inquiry into this matter has been treated by the Air Force in a nonchalant, "top-secret" manner which afforded no explanation whatsoever.

We feel, with a threat of this type posed to the residents of our community, that an explanation is necessary and that action be taken to prevent the re-occurrence of such explosions or, at least, the reduction of their impact.

If the Air Force authorities would only pause to consider the effects resulting from such military negligence, they would, no doubt, attempt to rectify the situation.

These blasts could prove harmful to small children whose young faculties are sensitive to all sound; to elderly persons subject to heart failure or other forms of stroke; to those with nervous conditions, not even to mention the physically fit who could always be hurt by flying objects produced by these blasts. On this list of probable offenses could be added the simple law of disturbing the peace.

We feel that a thorough examination into this matter is due from the Air Force officials in Milwaukee.

In our opinion the re-scheduling of these so-called "top secret" flights may cause the Air Force an increased amount of jet fuel. The cost, nevertheless, is well worth it in order to provide a peaceful neighborhood while unthining the threat of bodily injury.

## Along The Way

with Annie Mae

The aroma of charcoal broiled steaks wafted around the corner of the house, and the scent of rich brown coffee cooking over the open fire saturated the air. The red checked tablecloth draped gaily over the picnic table, laden with everything you can imagine. Potato salad (enough for an army), watermelon wedges (meaty, red), crisp green dill pickles, and all the garden vegetables haphazardly tossed into a giant wooden bowl!

Yep, summertime, and the living is easy! Ho Hum! Now for a nap in that lovely swaying hammock. Boy, this is the life!

If by this time you think I am some kind of a nut, think what you will. But you didn't expect me to talk about the great white way again, did you?

Bob Hunt, looking on the bright side of our new snowfall says, "Well, the old stuff was getting pretty dirty, anyway."

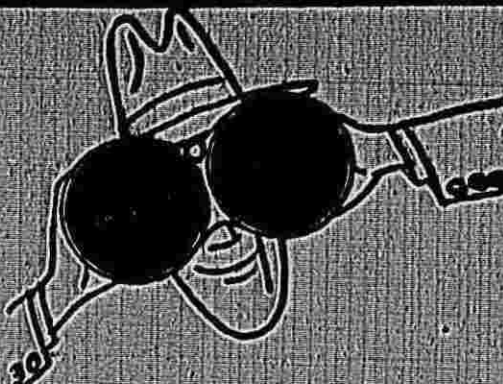

And the Real Hugh Downs Stood us all Up! However, Governor Kerner delivered a very interesting, though disappointing, speech (for those who hoped for a mental hospital in Lake County), to the members and guests of the Lake County Mental Health Clinic last Friday. Right proud to see our own Mrs. Lillian Petty presented an award for her work!

Note to Jack Fields: Henry Morgan says, "There's no use giving the groom a shower, because he's all washed up anyway!"

Picture of the week, (If I only had a camera): Bill and Jean Seemann showing them all how to TWIST at the Lions Club Ladies night at the Swedish Glee Club.

Of course Pat and Ray Lorenz, Jr. won the prize. But did you notice, it was for free Twist lessons at Arthur Murray's! You figure it out.

Walker and Rosalie Lyons took off for the wild west last week, Texas, to be exact. Suppose they're

## The Dark Horses

By Jay Nash

A great amount of publicity has been given lately to George Romney as the GOP "Dark Horse" of the next presidential race in 1964. I find this implication a bit ludicrous since the press has broadened this individual's personality to reach the American public's notice, exposing every facet of his character and thereby eliminating the idea of his being a "Dark Horse" per the definition. A "Dark Horse" is simply, in a strict political point of view, a person who emerges at the time of balloting for the presidential nomination as a party-backed candidate who is virtually unknown.

Romney, who is now known to the world as a possible political candidate, certainly is no "Dark Horse" but a clearly-defined representative of the GOP.

The Dark Horses of the past—Wendell Willkie, William Jennings Bryan, Warren Gamaliel Harding, James K. Polk, were unknown figures who popped up at the time of their party's need and Harding and Polk were uncannily swept into office, via the public's sympathy and love for the underdog.

Polk was picked in a desperate ballot stage. Harding was chosen in a Chicago hotel room by cigar-smoking king-makers. Willkie was thrown against the Roosevelt juggernaut out of the void.

Bryan's emergence as a Dark Horse was, perhaps, the most authentic. At the Democratic convention of 1896, after the representatives had been bludgeoned with hours of boring speeches, an unknown westerner, William Jennings Bryan, speaking with the easy drawl of the "silver-tongued-orator" aroused the attending delegates to screams of joy with his "I shall not crucify mankind upon a cross of gold" speech. The electrified audience went pell-mell into the Bryan camp and backed him for president.

On the other hand Romney has electrified no-one. He is simply a well dressed businessman with a pleasant smile. But his being named a Dark Horse, is indicative, I guess, of the gradual disappearance of the meaning of words through our heavily distorted means of communications today.

Along with this massive representation of what is new in the world, it seems to me that publications today only follow the suit of others.

That is to say there seems to be a great surge toward immediate classification, categorizing a person, place or thing and then dispensing with the subject as it is relegated to the past—an obsolete and useless thing or person even while in his

prime. This idea of always having the new would appear to be a vindication for a time that calls itself "an age of progress." For a person to linger within the public eye after being awarded his share of recognition is almost shameful.

To point out this trend let me cite a sample piece of prose appearing in a national magazine within recent months: "... though thirty, she was still beautiful." I wonder what she will be described as at forty!

## The American Experience

By Ray Fuechner

Almost everyone who has served time in the Little Red School House is familiar with the fable of George Washington and the cherry tree. This, and similar tales, always arise about heroes whom the public reveres. Some of the stories have basis in fact, others are pure concoctions of well-intentioned, but overly hagiological biographers.

"Father, I cannot tell a lie. I did it. I cut down the cherry tree with my axe," says little George giving a lesson in honesty that will be used as a model for children in classrooms for years to follow. Because George could not tell a lie, the implication follows that it was his great upstanding moral integrity which made him a great man and eventually our first President.

The cherry tree story is, of course, purely an imaginative invention by an overly-zealous early Washington biographer, Parson Weems. The biography originally appeared in three volumes and was to give rise to the cherry tree story.

It was not that Parson Weems was a dishonest historian or an uncritical biographer, that rather was simply the acceptable mode of writing at the time. Patriotic tales of American leaders were written with the idea of instilling a moral lesson. The famous American painter from the midwest, Grant Wood, whose "American Gothic" is well-known to everyone, painted the "cherry-tree" incident. In the picture Washington is shown as a small boy standing before a small cherry tree which has just been hacked down. That Grant Wood knew the story to be false is obvious by the fact that George is pictured in a minister's (or parson's) frock. He thus portrays the story and at the same time comments on Weems' tale.

The most peculiar and almost wildly mad stroke in Wood's picture is the incongruous arrangement of Washington's head as a matured man (the way he was painted by Gilbert Stuart) on the boy's body. It is a comic scene—an old man's head on a child's body.

But, it must be added, Wood's intent was not to debunk Washington nor to mock patriotism, simply to comment upon Parson Weems' imagination.

Literally hundreds of such

## Employees Begin Bird Protection

Large purchases of bird seed and the great interest in birds shown by their customers has had a good effect on employees of the Lake-Cook Farm Supply Company.

They have become conservationists and bird lovers.

Because of their close association to farmers and semi-rural residents, they are sponsoring a "Save-the-Bluebird" campaign.

To make it as easy as possible for folks to put out these houses, they are offering homemade, low cost houses at \$1.50. Steel posts are available on which to mount them.

Bluebird populations have fallen desperately low because of the lack of natural housing. The old wooden fence post is gone. Dead trees and fence rows are cleaned out. Houses are needed.

## Directions

When to mount? Early March. The blues come early.

Where? Near open field, edge of orchard. Bluebirds like the open areas.

How? 6 to 10 feet from the ground. Birds feed on insects near the ground and swoop up to opening. Face house south or east.

On what? Any post or tree. A steel post can be used as this discourages predators.

Local conservationists are happy about this effort to save the bluebirds. For the home owner there is much joy and excitement as the first roomers arrive.

Forest Preserve naturalists state that a woodpecker or tree swallow may take over your house, too. But these beauties also need homes.

If you are interested in helping promote the "Save the Bluebirds" project—call Frank DeYoung at Baldwin 3-2441 or stop at the Lake-Cook Farm Supply Company Garden and Farm Store at 381 Center St., Grayslake.

"myths" spring up around the figures of our Founding Fathers, some true in part, others mere wishful thinking. There's the story of Paul Revere having made Washington's plates (false teeth), which chronologically might be possible, but historically is unproven.

In fact, that is in reality, Washington was a man of almost unimpeachable morality. Today we would probably think him a "holier-than-thou" egotist. However, the soft-spoken, fumbling speaker was a truly great man—a man of honor, integrity, principle—not a politician, but a statesman.

Chicago's ideal location on the shores of Lake Michigan, its accessibility by plane, ship, train and truck has firmly established this Illinois metropolitan area as the distribution center of the United States and business capital of the Midwest.

With the opening of the St. Lawrence Seaway and jet commercial transportation, Chicago has emerged as a strategic center of trade in the United States. It is now the greatest inland port in the world. Because it is and because Illinois is one of the foremost states of the nation in agricultural and industrial output, the export expansion program sought by President Kennedy will create an economical uplift for all Illinois residents.

Within a radius of 500 miles of Chicago, 37 per cent of the U. S. population, excluding Alaska and Hawaii, is located. The value of the crops harvested here is 41 per cent of the national total and livestock production amounts to 47 per cent of the national total. Within this area 34 per cent of the manu-

facturing establishments of the nation are located, accounting for 46 per cent of the manufacturing output.

Approximately 45 per cent of the nation's exports originate in the Midwest. The economy of this mid-American area is the most diversified and balanced in the nation, and the 70 million persons living here enjoy the highest standards of any region in the world.

Illinois is in the center of the vast mid-America empire. No state in the nation will derive a greater benefit from the export expansion program than will Illinois.

To expand the market for Illinois-produced goods presents exciting possibilities. The demand for more goods, both industrial and agricultural will improve our economy and help restore a true prosperity.

Approximately 90 per cent of all U. S. exports have some components made in Illinois. Great as our present stake in world trade is, it could be vastly greater. At present, some 15 per cent of Illinois firms are engaged in exporting. If that can be increased to 25 or 30 per cent, we will have made a giant step toward providing the jobs and dollars that contribute toward greater economic growth.

This will not only go far in relieving unemployment, but will provide new jobs for the swelling number of entrants to the labor force and lighten the heavy relief load now burdening the finances of the state.

## SEAT BELTS SAVE LIVES

A fastened seat belt can well mean the difference between life and death in a motor vehicle collision. Based upon exhaustive research and investigation, traffic safety engineers estimate that nearly half of those persons killed annually could have lived, had they been wearing properly installed seat belts.

This driver had seat belt fastened

Same collision... This one didn't

It is difficult to understand why drivers and passengers are reluctant to wear seat belts. These same persons would not fail to do so in an airplane. There are many examples of drivers who escaped with only slight injuries in collisions which completely demolished the vehicle; yet the public is still not convinced that belts are as necessary on the ground as they are in the air.

The use of seat belts is urged by the American Medical Association, the U. S. Public Health Service and the National Safety Council. The automobile manufacturers have now recognized their value, and all 1962 model cars are equipped with anchors for safe and easy installation of belts.

Some drivers argue that belts are needed only for high speed driving on long trips. This is faulty thinking indeed. Statistics show that half of the serious automobile accidents occur within 10 miles of the driver's home; half of the fatal accidents occur at speeds under 30 mph in urban areas. For safety's sake, have belts installed front and rear and make sure they are fastened before starting the engine.

Send your comments on traffic safety to this column. We invite letters from readers.

going to check on those Rancheros? (Ford, of course).

The list of Florida visitors added the Dave Nissens this week.

And speaking of Florida, what a history making week this has been! How wonderful to have our first orbital flight in the same month with the history makers, Washington and Lincoln.

Col. Glenn we would like to say We're all mighty proud of you, Along the Way.

Annie Mae

## Lake Villa News

By Mrs. Fred Bartlett  
 Lake Villa, Ill. 6-3773  
**LAKE VILLA**—The Grant Township Republican Women's club is having a white elephant rummage sale and bake sale. New and used articles will be sold and refreshments will be served. The sale will be held Thursday, March 1, from 10 a.m. till 5 p.m. at the Ingleside Township hall at 117 Washington Street, Ingleside.

The Lake Villa VFW Veterans club will hold a St. Patrick's Day dance on March 17, at the Lake Villa VFW hall on Soo Line Road and Grand Ave. Dancing will start at 9 p.m. Music will be furnished by the "Tremelows."

Mr. and Mrs. Louis Williams of Bristol, Wis., were visitors Saturday at the home of Mr. and Mrs. Henry Jarvis.

William Jarvis, stationed at the Army base at Fort Bragg, N. C., is spending a leave with his parents, Mr. and Mrs. Henry Jarvis.

About twenty Royal Neighbors attended the pot luck dinner held at the Lake Villa Village Hall Tuesday. After the dinner, secret pals were revealed and new names drawn. The officers' club held a meeting following the dinner and held their election of officers for the ensuing year. The following were elected to serve: Mathilda Bartlett, president; Helen Reimer, vice-president; Velma Langosch, secretary, and Helen Fish, treasurer.

The next meeting of the Royal Neighbors officers' club will be held March 14, at the home of Mrs. Marie Hamlin on Cedar Ave., Lake Villa. Co-hostess will be Mrs. Fred Bartlett.

A dessert luncheon will be served at 12:30 noon, and a meeting held. The Lake Villa VFW Auxiliary held a dance at Downey Thursday evening, with the following attending: Doris Blumenschein, Arlyn Popp, Kay Kasting, Arlene Slazes, Dorothy Barnstable, Carol Bartlett, Helen Raymer, Judy Simonsen, Joyce McCleod, Frances Barnstable, Trudy Marcussen, Helen Keister. Sandwiches and coffee were served.

The Lake Villa VFW will hold a past commanders and past presidents dinner Saturday, Feb. 24, starting at 6:30 p.m. at the Lake Villa VFW hall. Anyone planning to attend, should call VFW Auxiliary president Francis at Ont 2-5324 or Florence Peterson at El 6-6401 before Thursday.

Two buses of Lake Villa children enjoyed skating at Rollin's Wheels roller skating rink at Twin Lakes, Wis.

Mr. and Mrs. Winsor Dalgaard are enjoying a vacation in Florida. Clifford Bartlett was ill at his home last week.

Little Carrie Bartlett is ill at her home. She is the daughter of Mr. and Mrs. Fred Bartlett, Jr.

The next regular meeting of the Royal Neighbors of Lake Villa will be held Tuesday, Feb. 27, starting at 8 p.m. at the Lake Villa Village hall.

be held Tuesday, Feb. 27, starting at 8 p.m. at the Lake Villa Village hall.

Sunday, February 25, is Heart Day, so when the Volunteers call at your home, please give generously. The money you give may save a life.

Mrs. Fred Bartlett, Sr. has again been appointed Doughtnut Day chairman of Lake Villa. Helen Fish will be her co-chairman.

Just a reminder, that the Lake Villa VFW Auxiliary will hold a card and game party Wednesday, Feb. 28, at the Lake Villa VFW hall. It will start at 7:30 p.m. and is open to the public.

The Lake Villa American Legion Auxiliary will hold their next meeting at the home of Mrs. Ruth Pegg in Venetian Village on Thursday, March 8, starting at 8 p.m.

Mr. and Mrs. Lester Hamlin returned from a vacation in Florida. Mr. and Mrs. Lester Bunkelman are enjoying a vacation in Florida.

Mr. and Mrs. Chris Jensen of Kenosha, Wis., were visitors Saturday at the home of Mr. and Mrs. Henry Jarvis.

Lloyd Clavey of Ingleside spent the week end at the home of Kenneth Bryant.

Elenore Brindize celebrated her birthday recently. Those present were Mr. and Mrs. Wayne Sword, Wauconda, Mr. and Mrs. Frank

Shes and family of Lindenhurst, Mrs. Henry Jarvis and family of Lake Villa.

Mrs. Elenore Brindize and son were visitors Sunday at the home of Mrs. Frank Shes of Lindenhurst.

Theresa Velkovitch, a student at the Madison College at Madison, Wis., spent the weekend with her parents, Mr. and Mrs. Velkovitch.

Ed Sacco is a patient at St. Therese Hospital. He is feeling a little better.

Mr. Sam Sacco of Chicago and his daughter, Frances, from Canada, spent two weeks at the home of Mr. and Mrs. Ed Sacco.

Ed Tiede is a patient at the Lake County Hospital in Waukegan.

What size Chevrolet do you want  
 to save money on?

**CHEVROLET IMPALA** Room, refinement and riding comfort. Foreground, the Impala Sport Sedan.

**CORVAIR MONZA** Sports Car, spics without a sports car price. At rear is the Monza Club Coupe.

**CHEVY II NOVA** The frisky family-sized Chevrolet with a low, low price tag. Above right, Nova Sport Coupe.

Like your driving sporty, with quicksilver steering, flat-as-a-pancake cornering, sure-footed traction? Then a Corvair Monza's for you.

Or maybe the new-size Chevy II is more to your liking. Built for big families and still slips neatly into small parking places. And, with this, the kind of ingenious engineering (new easy-riding Mono-Plate rear springs, for example) that

won this year's coveted Car Life Magazine Award for Engineering Excellence. But say you want to go all out—to get the full treatment in space, spirit and splendor. Then there's nothing like a Jet-smooth Chevrolet. Makes paying more pointless. So size 'em up—then save it up—at your Chevrolet dealer's.

See the new Chevrolet, new Chevy II and new Corvair at your local authorized Chevrolet dealer's

## Republicans Hold Candidate Dinner

The Antioch Township Republican Men's Club held a candidate dinner meeting last Thursday night, February 15, at Paty's Lounge.

The meeting, which commenced at 8:30, drew 25 candidates for the offices of congressman, representative and various other positions. Absent were Judge Hulse and County Clerk Gar Leaf.

Speakers were limited to 3-minute speeches with a buffet lunch being served after the talks. Over 150 persons attended the meeting.

Antioch Township Supervisor Lloyd Murrell stated that the meeting adjourned at 10:30.

## Lindenhurst News

By Mrs. Bernice Bernau  
Elliot 6-5649

### LUNCHEON

A luncheon was given by Mrs. Hannah Toben of Grand Avenue last Tuesday, in honor of Mrs. Karen Dady, also of Grand Avenue, as a brief parting from her friends.

Karen Dady has sold her home, and is now going to reside in another town. Of course, good friendship is a lasting thing, and the girls can't wait to see her new home.

Her friends who attended the luncheon were Mesdames Blaja Laurich, Dorothy Klamoth, Katharine Kreis, Marion Dobsiaf, Mabel Hollicker, Mildred Gast, and of course the lovely lady herself, Karen Dady.

The ladies all agree that she will be missed from their group, and they all wish her happiness in her new home.

### Anniversary

Congratulations to Jim and Babe Hartwig, 2415 Sand LaLake Road on their twelfth wedding anniversary Feb. 18. Dorothy and John Thompson helped them celebrate Saturday evening. The Hartwigs have four children, Kathy, Mike, David and Danny.

This is to let Babe's secret pal know that she and Jim enjoyed the two steaks they received for their anniversary. Four more were bought, so that the rest of the family wouldn't drool while they watched them eat theirs. Jim gave Babe an adorable white and tan Pekinese dog.

### Grandmothers Club

Seven women joined the Grandmothers Club last week when the ladies held their first meeting at Mrs. Jennie Volpentesta's home. They afternoon from 1 to 3:30 p.m. (No, Grace isn't a grandmother. Her aunt, Mrs. Marge Campbell, who lives in Antioch, is going to use Grace's home for her meetings). All grandmothers are cordially invited to attend. For more information call Mrs. Volpentesta at Elliot 6-7885.

### Birthday Party

Carol Orbank of 2122 East Elm Road celebrated her eighth birthday Saturday with a wing ding of a party. The party was from 11 a.m. until 3 p.m. Cheryl Dalgard, Vickie Mitchell, Andrea Lentine, Pamela Aniol, Linda Whitner, Joyce Butler, Sharon Matsie, Julie Caldwell, Ruth and Terry Ireland, Pat Scholastico, Donna and Judy Sokup, Sandy Young, Teresa Rosla and Barbara Orbank, enjoyed playing all the children's party games for various prizes that included Barbie doll clothes made by Mrs. Lorraine Lewis.

The girls colored their own place mats, before they ate. Everything was with the circus design. Even a circus cake. Mrs. Lewis and Loren Lee helped Martha supervise the games.

### Card Party

The Altar and Rosary Society of Prince of Peace Church in Lake Villa is having a party Wednesday evening, Feb. 28 at 8 p.m. in the church hall.

Everyone is invited to compete for the many prizes which will be offered. Refreshments will be served by the committee.

### Games Party

The VFW Auxiliary holds a games party the last Wednesday of every month at the Post in Lake Villa. Everyone is invited to attend. Refreshments are included in the admission price. Games start at 7:30.

### Western Party

The long awaited Western party sponsored by the Lindenhurst Women's Club will be held this Saturday at the Lindenhurst Civic Center on Old Elm Road. R. C. Hampton of Glenview will be the caller for the square dancing. He will be accompanied by a concertina player.

### Fashion Show and Lunch

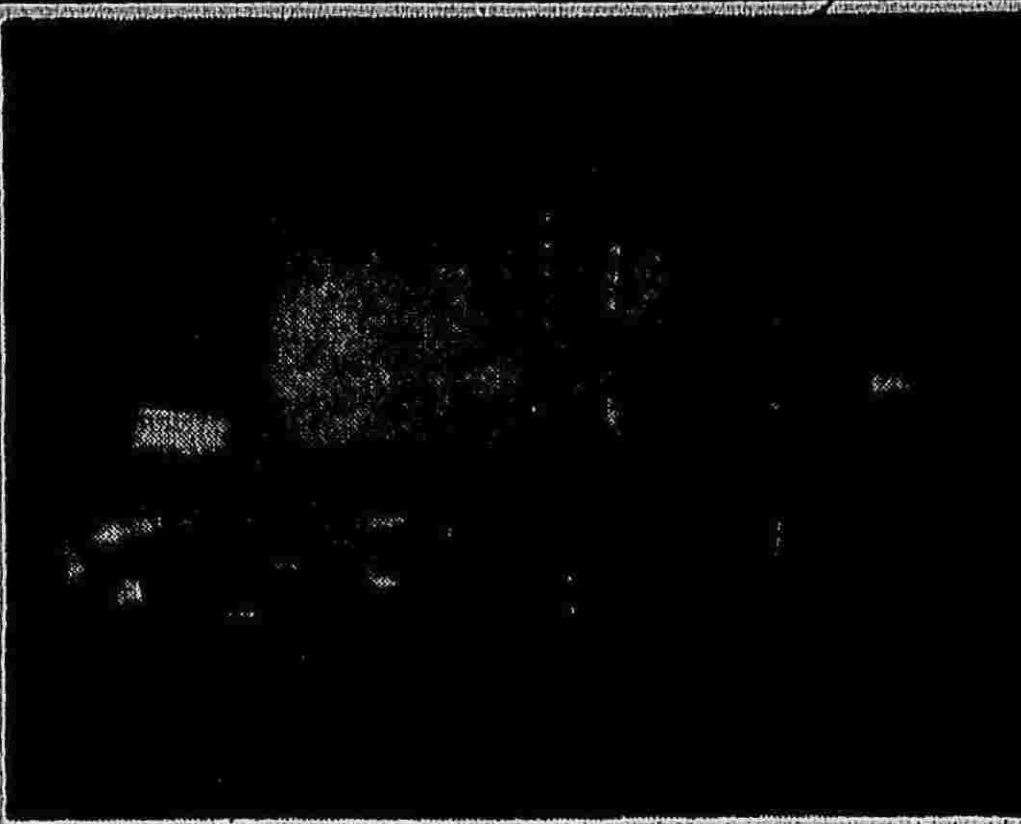

Holy Child High School Fashion Show will be held at the Waukegan Inn at 1 p.m. March 1. For reservation call Mrs. Kates, Elliot 6-3061.

### Ivy Cancer League

The Ivy Cancer League met at Lu Stanley's home, 76 Brook Lane Thursday evening to make plans for the coming benefit party they will hold Tuesday, March 6 at the Lindenhurst Civic Center. Every body's "favorite game" will be played, starting at 8 p.m.

Thursday also was Dennis Stanley's eighth birthday. He was all smiles while the ladies sang "happy birthday" to him. We all enjoyed eating his beautiful two layered heart shaped cream cake. He and

## In And About Our Town

A familiar figure to all of us in Antioch is Chief of Police Walter Scott who is responsible for the well-being of our community.

Married, with a daughter in college, a Denver student in Liberal Arts, Scott has remained chief of Antioch's police force for over 12 years.

Prior to 1949 he worked as a village employee. From 1928-1947 he

his sister Diane passed out the cake and coffee.

### Daisies

The Lindenhurst Daisies 4-H club met at Carolyn Wetterberg's home Thursday evening. Carolyn demonstrated how to mix bread. Pat Wallock kneaded the dough and Loren Lee Lewis shaped it. Barbara Warchool made a coffee cake. While the bread and cake were baking, Carolyn showed how to make bound button holes, and Pat gave a talk on "Will you be free to celebrate Christmas in the future?"

The club will meet at the home of Loren Lee on March 1.

### White Elephant Sale

Grant Township Republican Women's Club is having a white elephant, rummage and bake sale Thursday, March 1, from 10 a.m. until 8 p.m. at the Ingleside Township Hall, 117 Washington St., Ingleside. Refreshments will be served.

### Canasta Club

The Canasta Club met at June Simicek's home, 231 S. Briar Lane Wednesday evening. May Hunt and Lu Stanley won boxes of stationery for having high scores. Newcomer Millie Gast, who is taking Marge Fabry's place, won a box of plastic tooth picks for having low score. Losers were Vi Selzer, Bernice Frontzak and June.

June also was hostess for the Friday night pinocle club. The ladies in the club are Zenia Baumann, Millie Gast, Marge Campbell, Vi Selzer, Grace Slove, Sybil Berbes and Dorothy Verdick.

### Cook Book

The Altar and Rosary Society of Prince of Peace Church in Lake Villa is anxious to assemble a book of everyone's favorite recipes to publish. You are invited to leave your favorite recipes at the rear of the church, or with Vi Selzer or Loretta Warchool. They don't have to be original, just so long as it's good.

### Compliment

I was asked to mention in column that Chief of Police Warren Frontzak, Officer John Selzer and Police Matron Vi Selzer thought the teenagers who attended the Lindenhurst Garden Club Dance Saturday were a group of very well behaved young adults. That coming from their seniors, is indeed a compliment.

### Sympathy

Condolences are expressed to the Tony Drago family on the loss of Tony's mother, Mrs. Rose Drago, who passed away last Tuesday in

## Wildman Throws Grand Banquet

Robert Taft, Jr. and Max E. Wildman will host a giant banquet March 2 in the Waukegan Inn, it was announced today at Wildman's Lake Bluff headquarters.

Wildman, whose headquarters at 30 Scranton, Lake Bluff, officially opened Saturday, appointed David Kittridge, of Lake Bluff, to head the arrangements for the banquet which is expected to draw more than 600 persons.

Taft, speaker pro tem of the Ohio House of Representatives, endorsed Wildman earlier as "one of the best men I know of to run for public office."

Taft will be the first office holder of national importance to come into the 12th district campaign," Wildman said. He will give the main address at the banquet and it is hoped that arrangements can also be made to fly Taft around the district, enabling him to meet as many voters as possible.

Kittridge, and co-chairman, Tom Bailey, of Lake Bluff, said the banquet reception will begin at 7 p.m., and the dinner will start at 8 p.m. Reservations for tickets may be made by contacting the Wildman Headquarters at CE 4-3633.

## INSIDE ANTIOCH HIGH

By Mike Brooks

Seniors were measured for their caps and gowns last Wednesday, February 14. Plans are being made to raise money for the annual class trip that is taken in the spring.

The Antioch spectators displayed excellent sportsmanship during the Round Lake game Saturday night. It was a hard fought, heart-breaker, with the final score 70-68 in favor of Round Lake. Let's forget that game and "go get" Warren this weekend—Friday night, to be exact. This is the final conference game and will begin at 7 p.m. in the Antioch gym. The final game of the season will be against North Chicago, also at home, on March 2. Congratulations on a fine season, Sequoits.

Heavyweight wrestler, Bill Slater, will advance to the semi-finals in the state wrestling championships. Good luck!

ATHS hopes that the weather breaks soon so that the construction can move along a little quicker. We surely are going to be glad to have more room. Only one drawback to the new building enters the seniors' minds—we won't be able to use the facilities. It seems that every time we leave a school a new addition is promptly added.

Big selection! Big values! See your Buick Dealer for Double Check Used Cars!

## ALL ABOUT DIAPERS

A PAMPHLET FROM THE  
National Baby Care Council  
DIAPER RASH PREVENTION  
By William Elmy

Winter National Association of Science Writers Editor, All About Babies  
Does Diaper Rash occur more often in tiny infants than in babies a year or more old? Is it more common during the hot summer months than during the winter?

Most mothers will answer that diaper rash occurs more often in infants and that it is more common in the summertime.

Both these answers are not so, according to studies reported in the American Medical Journal of Diseases of Children.

The studies show that not only is there a greater incidence of diaper rash in older babies but the most distressing cases occur in babies a year or more old. More cases also occur in the winter months. There are several reasons for this.

During baby's early months, a mother fusses more with her baby. She's fastidious and prompt in changing baby's diapers, almost the very moment they're wet or soiled. She's alert for diaper rash and the slightest skin blemish is a cause for alarm and prompt attention. She uses a diaper service, aware that professional diaper processing is done under strict laboratory control, thus providing protection against diaper rash.

As baby gets older, mother fusses less. Yet, in the older baby, the conditions that contribute to diaper rash are more acute. Baby's diet now, with its solid food and its protein, affects the composition of the urine increasing the amounts of diaper rash causing ammonia. The quantity of urine that is now passed at one time is enough to soak a diaper instead of merely making it damp. The danger of bacterial infection through skin damaged by diaper rash increases as baby wins freedom of the floor and the lawn.

As for the higher incidence of diaper rash in the winter, it's due to mother relaxing her standards because of the erroneous belief that the distressing skin irritation occurs only during the summer. Yet, during the winter, baby wets more. In the summer most of the fluids that leave baby's body, leave as perspiration. In the winter, baby is also bundled up more, thus encouraging a tendency not to change the diaper as often.

As long as diapers are worn, medical authorities warn that the possibility of diaper rash remains. The best preventive still remains good diaper hygiene. Even when baby reaches the stage when training

## How to Save a Life

FIRST AID IN SPRAINS  
By T. D. Quigley, M. D.

(When someone is struck down and badly injured in an accident, first aid, given before a doctor can get to the injured one, may save his life. Everyone should know what to do in these emergencies. The following article, prepared as a public service by the American Mutual Liability Insurance Company, tells what to do in one serious instance. It is one of a series appearing in this newspaper.)

A sprain is a stretching or partial tear of one of the ligaments which hold bones together at a joint. This is usually accompanied by pain, tenderness and swelling. Sprains occur most frequently at the ankle or knee. It is often difficult, even for a doctor, to be certain that there is not a complete rupture of a ligament or a fracture without the help of X-ray. Bad sprains with complete tears of the ligaments can, and often do, produce severe and even permanent disability.

Sprains are wounds of ligaments. They differ from cuts and abrasions only in that they are hidden by the overlying skin which is intact. The basic consideration in their treatment is to provide the best possible conditions for healing. Nothing yet has been discovered that will speed

pants are worn by day and diapers only for naps and at night, the diapers should be processed just as correctly as when baby was a tiny infant and a fastidious diapering routine should be followed just as carefully.

WEST VA. SALEM HERALD:  
"Government statisticians show concern over the fact that 25 per cent of American families live beyond their incomes. Look who's talking!"

You Had To Be  
Born Healthy  
In 1400!

If you got sick in the middle ages, the cure was often worse than the disease. Medicines were usually something like powdered brick or owl feathers. Today in 1962, we aid you physician in keeping you healthy through scientific discoveries that were unknown even a generation ago. The filling of prescriptions is our main business and we look forward to serving you.

## DEATH NOTICES

MARTIN E. HOFFMAN

Mr. Martin E. Hoffman, 88, of Bassett, Wis., died last Friday, Feb. 16, at 5:35 p.m. while being attended at St. Catherine's Hospital, Kenosha.

Mr. Hoffman was born April 20, 1873, in Bassett, where he lived all his life. He was a retired stock buyer, and had for several years served on the Bassett School Board.

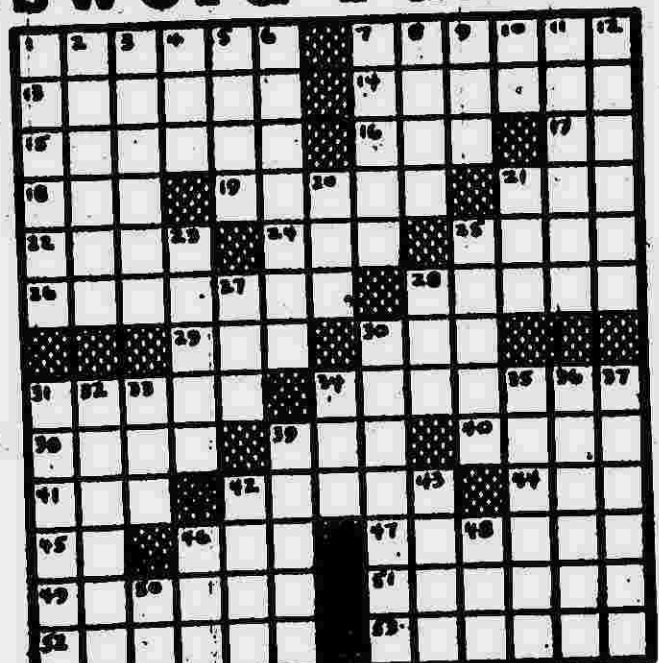

He is survived by his wife, Amanda Lynch Hoffman, whom he married on Nov. 8, 1902. Also surviving are two daughters, Mrs. Irving W. (Georgianna) Carey of Antioch and Mrs. R. A. (Mary) Muller of Tampa, Fla.; four grandchildren and two great-grandchildren.

Services were held Monday morning, Feb. 19, at the Strang Funeral Home in Antioch.

## PUGGY on PUPPY

normal repair of any wound, although there are many things which do exactly the opposite. There are five basic rules for the first aid treatment of suspected sprains. 1. Put the injured joint at rest. "Working it out" will aggravate the injury, increase the pain, delay healing and set the stage for a long, long disability. 2. Apply cold—such as an ice pack or cold towels. This will relieve pain and lessen bleeding from the torn ligament. 3. Apply compression. This may be done with a cotton elastic band-

age gently wrapped around the joint. This will control swelling and help to put the injured part at rest. 4. Elevate the injured joint above the level of the heart. This will help the blood to flow away from the joint and relieve throbbing pain. Consult your doctor promptly for any joint injury except the most trivial. You should go to your doctor's office, or better his hospital, where he has the necessary facilities for accurate diagnosis and treatment.

## Ant. Moose Back Safety Program

Antioch Moose Lodge Governor Carl Schiesser announces the officers and members of the lodge have voted to sponsor a bicycle safety program. The committee, as announced by the civic affairs chairman Bob Avery, includes Edward Lindstrom, Bob Oddsen, Lester Palmer, Don Hart, George Nelson, Rick Kessler, Homer Toft, Bill Hart, Eugene Wagner, Eddie Brehl, Carl Schiesser, and Howard Larson.

The first committee meeting was held Feb. 8, with E. G. Landen, Executive Director, and William E. Brook, Treasurer of the Lake County Safety Commission. It was pointed out that much work was required to plan and develop a good, comprehensive bicycle safety program.

Chairman Avery stated, "Other groups and persons will be contacted to aid in this program. The program has to be a complete and balanced community effort to ensure greater safety for the cyclist as well as for the motor vehicle drivers and pedestrians who have the use of streets and highways."

If you wish to help, please notify any member of the committee or Mr. Avery or Mr. Schiesser.

Mr. and Mrs. Ronald W. Schroeder

## Resident Airman Assigned School

LACKLAND AFB, Texas—Airman Basic George P. Sterbenz, son of Mr. and Mrs. George E. Sterbenz of R. R. 2, Antioch, is being assigned to the United States Air Force technical training course for fabric-leather-rubber repair specialists at Chanute AFB, Ill.

Airman Sterbenz, who has completed his basic military training here, was selected for the advanced course on the basis of his interests and aptitudes.

A graduate of Antioch High School, he attended Montana State University.

## Celebrates 88th Birthday Feb. 15

A surprise birthday party was held last Thursday, February 15, for Mrs. A. Bober, who celebrated her 88th birthday.

The party, which was held in Mrs. Bober's home in Fetter's Subdivision at 3 p.m., was attended by Mr. and Mrs. O'Brien, Mrs. McGee, her granddaughter, Carole Huff, and Mrs. Badame, along with Mrs. Camillo.

## Jacqueline Ann Cynova Marries Ronald W. Schroeder In Antioch

In an afternoon ceremony at the Antioch Methodist Church on Saturday, Feb. 10, Miss Jacqueline Ann Cynova was united in marriage to Ronald W. Schroeder, with the Rev. Wallace Anderson hearing their vows.

Miss Cynova, who has made her home with her aunt and uncle, the Harold Youngs of Antioch, is the daughter of John W. Cynova of Washington, D. C. Mr. and Mrs. Norman Schroeder of Mundelein are the parents of the groom.

Jacqueline, who was given in marriage by her father, chose for her wedding a gown of satin-face peau de soie, with appliques of embroidered alencon lace, fashioned with a scalloped neckline, long sleeves and fitted bodice over a full floor length skirt. Her fingertip veil was caught to a cap of plaited silk, etched with seed pearls, and she carried a cascade bouquet of white roses with velvet hearts.

The bride's cousin, Miss Harleen Young, served as maid of honor, and the bridesmaids in attendance were Miss Ellen Heck and Miss Sharon Langbein. They wore identical gowns of gold brocade with satin tunics, and their blusher veils

were held by matching satin head bands. They carried sprays of tall-man roses and euphoria.

Serving the groom as best man was Carl Heck, and William Athanatos and Donald Heropkie were the ushers.

Dinner for 160 guests was served in Wesley Hall of the church.

The couple now make their home in Waukegan.

## DARAward Given Antioch Student

Roy Nelson, Senior class adviser at Antioch Township High School, reports that Carol Plotzke, a student, was elected to receive the DAR Good Citizen's Award recently.

Carol has been active in the G.A.A., Pep, Cheering, Executive Board, Latin, Tom-Tom, Student Council, and Homecoming Court organizations over the past four years.

Miss Carol Plotzke, senior student at Antioch High, who received the DAR Good Citizen's Award recently. Carol plans to enter St. Francis School of Nursing in Evanston in the fall.

Her future plans include attending the St. Francis school of nursing in Evanston this fall.

She is a senior and the daughter of Mr. and Mrs. Frank Plotzke of Lindenhurst.

## Residents Return From Convention

Mr. and Mrs. Virgil Felter, owners of the Dog n Suds Drive-in, Route 173, Antioch, Ill., have just returned from the National Dog n Suds Convention, held February 9 and 10 in Champaign, Ill.

Mr. and Mrs. Felter were among 700 Dog n Suds operators and guests who came from all parts of the United States for the two day session.

The 1962 Convention was planned around a circus theme and provided interesting and profitable merchandising and marketing ideas and techniques for Dog n Suds operators to take back to their individual stores. The sessions were in the main devoted to stressing the importance of strengthening the national institutional image of Dog n Suds Drive-ins.

## Native Daughter To Act in Drama

Miss Bonnie Reed, daughter of Mr. and Mrs. Steven Reed of Antioch and a graduate of Antioch Township High School took a brief respite from her books and thermometers during rehearsals of a variety show to be put on by the student nurses and faculty of the Grant Hospital School of Nursing in Chicago.

Bonnie, who is a freshman in the school, will be playing a featured role in the show, "Driftwood Dreams," to be presented February 21 and 22 at 8 p.m. The show will be held in the auditorium of the Nurses Residence on Webster Avenue. Proceeds of the ticket sales will be given to the Student Council for their various school activities.

The girls have also voted to donate part of the proceeds to the Grant Hospital Building Fund for the hospital's new South Pavilion now under construction.

## Cornell Visitor Tries for Award

Joe Enis, of Antioch, was among the 127 high school students from 7 midwestern states who visited Cornell college campus on Feb. 17 to participate in the annual William Fletcher King and Horace Alden Miller scholarship competition.

These scholarships vary in amount up to and including full tuition awards of \$4,400 for four years of undergraduate study.

### ANTIOCH GARDEN CLUB

The February 26 meeting place of the Antioch Garden Club has been changed to the home of Mrs. D. Kennedy on Lake Street. Co-hostess of the meeting will be Mrs. Don Purdy.

Bob Willrett, proprietor of "Floral Acres Nurseries" will discuss "House Plants."

Anyone desiring to call regarding this meeting will please contact Mrs. Purdy at 395-0886.

## Topics for Today's Women

### Antioch Order of Rainbow for Girls Appoints Committees for 3 Months

The Antioch Assembly, Order of Rainbow for Girls, will meet at 7 p.m. Monday, Feb. 26, at the Masonic Temple.

Miss Patricia Brown, newly installed worthy advisor, will preside. Mrs. Wilma Gibbs is mother advisor.

Miss Brown announced that the Valentine tray favors they made were delivered to Victory Memorial Hospital in Waukegan, and asked for suggestions for St. Patrick's Day tray favors.

Committees for Miss Brown's term were appointed as follows: Carol Wiegart, publicity; Lynn Ott, sickness; Harriett Wells, finance; all line officers on the decorating and planning committee; and Miss

Brown and her mother, Mrs. Jeanette Brown, on the refreshment committee for February. Harriett Wells and advisory board member, Mrs. Lillian Ptack, will be in charge of refreshments for March; Lynn Ott and board member Mrs. Lida Frasier will take refreshments in April and Carol Wiegart and board members Mrs. Mabel Weber will serve in May.

At the last meeting Jane Lassen, past worthy advisor, gave a report of her term in office.

Last Saturday evening, Feb. 17, Mrs. Gibbs accompanied the Misses Pat Brown, Joan Wagner, Marguerita and Juanita Gillum to the Woodstock Installation of officers.

## Trevor News

By Mrs. Grace Miller  
Mr. and Mrs. William Bush have returned from a trip to Arizona. On Thursday evening Mrs. Alvin Moran, Mrs. Frank Moran and Mrs. Fagel gave a post-nuptial shower for Mrs. David Moran (nee Sue Olson) of Twin Lakes. It was miscellaneous and about 25 ladies were present.

The children of the Trevor Grade school enjoyed a Valentine party on Wednesday afternoon.

Mr. and Mrs. Harold Sheen called at the Willis Sheen home on Thursday evening.

Mrs. Marie Vos entertained on Tuesday evening for Patti's 6th birthday.

Mrs. Andrew Tuft and son, Edward, of Johnsburg, Ill., visited at Sheen home on Monday.

Mr. and Mrs. Bernard Staudinger, Mr. and Mrs. Kenneth Schemenhauer and Mr. and Mrs. Henry Schemenhauer, all of Kenosha, visited at the Howard Schultz home on Saturday.

Mr. and Mrs. Glenn Pacey returned on Sunday from a motor trip to California.

## ROYAL NEIGHBORS MEET

The Royal Neighbors of Antioch will hold their regular meeting at 8 p.m. Tuesday, Feb. 27, in the American Legion Hall. Members are asked to bring a box lunch.

## SURGERY PERFORMED

Mrs. Paul Zelen, Jr., of Channel Lake, underwent surgery at Zion Hospital on Monday, Feb. 12, and returned home Sunday, Feb. 18. The Zelen's son, Joseph, who was home on leave from the navy, left on Monday to return to duty.

## VFW AUXILIARY

On Monday evening, Feb. 12, at a regular meeting of the Ladies' Auxiliary to the Veterans of Foreign Wars, Post 4651, the Patriotic Instructor, Mrs. Morris Verkest, in behalf of the Auxiliary, presented three American Flags with staffs and stands to leaders of local Brownie and Girl Scout troops. They were Mrs. Clayton Zoll, leader of the Oakland School Girl Scout Troop 124, Mrs. Thomas Wilson, leader of Grass Lake Brownie Troop 187, and Mrs. Anton Stanich, leader of St. Peter's Brownie Troop No. 144.

Saturday, Feb. 17, Mrs. Ellen Flint, president of the Ladies' Auxiliary, and Mrs. Morris Verkest, Patriotic Instructor, attended the Fifteenth annual patriotic conference and luncheon at the Sherman Hotel in Chicago. This was sponsored by the Department of Illinois, Ladies' Auxiliary to the Veterans of Foreign Wars of the United States.

Plans have been made to hold a public card party on March 6. Details will be found under "Notices" on the Classified Page of this issue.

## DEATH IN FAMILY

Mrs. Mark Turner of Antioch received word Monday evening of the death of her mother, Mrs. Esther Soderberg, of Virginia, Minn. Mrs. Soderberg had been ill and hospitalized for the past three weeks. Mrs. Turner left Tuesday for Virginia, where funeral services will be held. Final arrangements were not completed as of this writing.

## WOMEN BUSINESS MEETING

The business meeting of the Women of the Moose, Antioch Chapter 735 was held at the Moose Home, with 43 members present.

Those honored in the birthday march were Mesdames Lillian Haraty, Regina Karrasch, Rachel Bogarts, Doris Mueller, Jane Meyer, Blanch Horton and Harriett Grewe.

Mrs. John Ashley, chairman of the hospital committee, and her fellow members were in charge of serving refreshments for the evening.

Coming Events:  
Feb. 24-Saturday, there will be a dance, given by the Loyal Order of Moose and the Antioch Legionnaires at the Moose Home.

Feb. 28-College of Regents will meet at the home of Mrs. Jane Meyer. There will be election and appointing of officers.

March 1-8 p.m., Enrollment night for Women of the Moose, at the Moose Home. The Moosehaven committee, with Barbara Wetherbee as chairman, will be in charge of the entertainment and refreshments for the evening. There will be a mystery bake walk, with proceeds going to the Moosehaven Anniversary Fund.

Attention is called to the Academy of Friendship Girls—they are to contact Mrs. Gertrude Good at 393-2463 before the deadline, in reference to signing recommendation slips for future friendship members.

## NEW BORN SON

Mr. and Mrs. John Pichik of Elmhurst are the parents of a son, Joel, born Wednesday, Feb. 21. This is the Pichiks' first child. Rose Anne Pichik is the daughter of Mr. and Mrs. Arthur McGreal of Antioch. She will be known to her many friends with whom she attended high school here, as a freshman and sophomore.

St. Mark Pastor Installed  
This Coming Sunday, Feb. 25

The formal installation service for the Rev. Harold I. Nelson will take place at the 10:45 a.m. service on Sunday, Feb. 25 at St. Mark's Lutheran Church, Lindenhurst.

St. Mark's Lutheran is a congregation begun as a project of the American Mission Department of the American Lutheran Church. The Rev. Elmer Nelson, President of the Illinois District of the American Lutheran Church, will be in charge of the installation service.

The Rev. Harold I. Nelson arrived in the area on the first of September, 1961. Over 300 baptized mem-

bers have since that time committed themselves to charter membership in the new congregation.

The second membership orientation class is now being organized. Anyone interested in knowing more about the teachings and practice of the Lutheran Church is cordially invited to come to hear these lecture presentations by the pastor. These meetings will be held during the Sunday School hour, 9:30-10:30 a.m. each Sunday for ten weeks.

The charter membership is being held open until Pentecost Sunday, June 10th, at which time there will be confirmation service and reception for all committed to membership at St. Mark's Lutheran.

## GRASS LAKE PTA

The Grass Lake PTA met Monday, Feb. 19, to honor its past presidents. Those so honored were Kate Halvorsen, Roy Frasier, Helen Burke, Mal Knirsch, George Pierce, Ingrid Hawkins and Kay Schaefer.

It was announced that the last meeting of the Lake County PTA Council will be at the Gurnee Grade School on March 29.

The annual hat fair was held, with voting by the members present. Award for prettiest hat was won by Betty Ernsting, the funniest hat was worn by Kay Schaefer, and Marge Yopp and Lorraine Cerk tied for honors as having the most original hat.

Room count was won by Mrs. Colie Golden and Mrs. Donna Currie. The fifth grade room mothers were hostesses for the evening.

## Autos Collide

A car driven by William J. O'Connor, 40, of Antioch, was side-swiped by an unidentified car on Rte. 59, south of Rte. 173, last Sunday morning, Feb. 18, at 6:12 a.m.

O'Connor, who was going north on 59, noticed that 3 cars were approaching him from the opposite direction, the first car side-swiping him and proceeding without inquiry. He could not give a description of the auto.

The left side of his car was damaged but O'Connor was able to drive it away from the scene. The Waukegan Sheriff's office reported that he sustained no injuries.

## Two Vehicles Flip

Charles E. Larson, chief deputy of the Lake County Sheriff's office, reported that Bonnie R. Whitehead, 21, of Baldwin, Miss., while towing another car on Rte. 173 last Saturday evening, ralled his car into a ditch.

Whitehead, who was driving west on Rte. 173, a mile and a half west of Rte. 59, and pulling another driverless car behind him with a towbar, jammed on his brakes when the car in front of him suddenly came to a halt. When coming to a stop, the rear car hooked to Whitehead's jackknifed upwards and rolled both cars on the road.

No injuries were sustained by Whitehead but both cars had to be towed away. The accident occurred at 5:26 p.m.

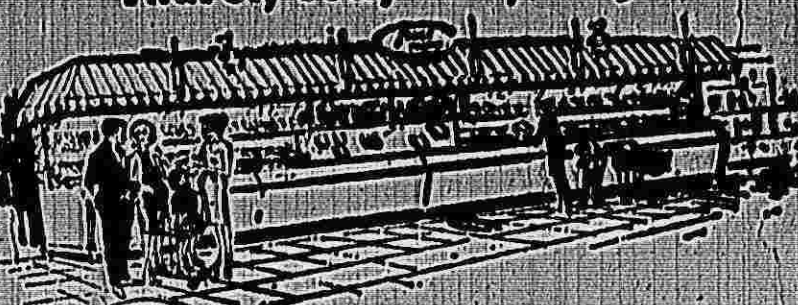

## Driver Loses Control

Michael Moss, 17, of Highland Park, damaged his car last Sunday morning when it went off the road after going out of control.

Moss, who was driving on Rte.

173 a half of a mile west of Deep Lake Road on Feb. 18, at 10 a.m., lost control of his car which ran off the road. Both the left side and top of the vehicle were damaged.

No injury was sustained by Moss. The report of the accident is forthcoming from the Waukegan Sheriff's office. No citation was issued.

## Courthouse Notebook—

BY LOU DURNIN

Revived interest in the possibility of the early appointment of Circuit Judge Bernard M. Decker to the Federal bench prompts some speculation on its effect on the Lake County politics.

Advocates of harmony in the Republican Party might be prompted to forestall a contest in the Probate Judge race by promoting Ralph J. Dady or LeVerne Dixon to the Circuit race if the vacancy occurs before the April 10 primary.

Of course this would still leave a contest here since Mark Drobnick is in the race, but at least such a promotion would cut it to a two man contest.

There is also a possibility that the promotion of Judge Decker, if it goes through, would be held off until June so a successor could be appointed by the governor.

This could mean, if the revised Judicial Amendment to the State Constitution is approved by the voters next fall, that a Democratic judge might be frozen in the bench post.

The Dady-Drobnick-Dixon race is being overshadowed by the eight man Congressional and 12 man State Representative contests, but is beginning to generate a little interest, at last.

Waukegan Mayor Robert Sabonjian has postponed his announcement that he would be coming out in support of Ralph Swank, Waukegan alderman, in his bid for the GOP nomination for State Representative.

"The Rock" was expected to make the long discussed disclosure at the dance in Swank's honor last Saturday, but is holding off until the pronouncement can have a more telling effect.

Mayor Sabonjian will need a hand-picked candidate in the state legislature if he is to continue his fight to get a piece of the Illinois Beach State Park property for his proposed marina, golf course, and swimming pool.

Isn't it about time that the Democrats started sponsoring Lincoln Day dinners and the Republicans took over Thomas Jefferson as their patron saint?

After all, Lincoln was an advocate

## Residents Boost Bond Sale Drive

Lake county residents purchased a total of \$582,451, in series I and II United States savings bonds in January, according to Philip T. Speidel, Lake Forest, Ill., and John Meade, North Chicago, Ill., general county co-chairmen of the Savings Bonds Committee.

Sales in the state of Illinois totaled \$37,037,138, and were 8.3% below last year's total for the month, according to Arnold J. Rauen, state director of the Treasury's Savings Bonds Division. Illinois sales represented 7.7% of national sales which were \$478,000,000. In January Illinois sales accounted for 8.8% of the assigned quota which is \$382,000,000.

## Highway Hypnosis Presents Hazards

Expressway driving demands special rules and techniques, according to Matthew C. Sielski, director of the Chicago Motor Club's safety and traffic engineering department.

"Most expressway motorists are bound for places at considerable distances," he said. "Therefore, they must prepare themselves for this kind of driving."

Concentration on your driving is absolutely necessary, said Sielski. He stressed, however, that expressways are not race tracks and that it is essential to respect posted speed limits.

He advised motorists to study their expressway map before starting on their trip. "Safe expressway driving requires that you know where you expect to leave the highway and how to identify the exit in advance," Sielski added.

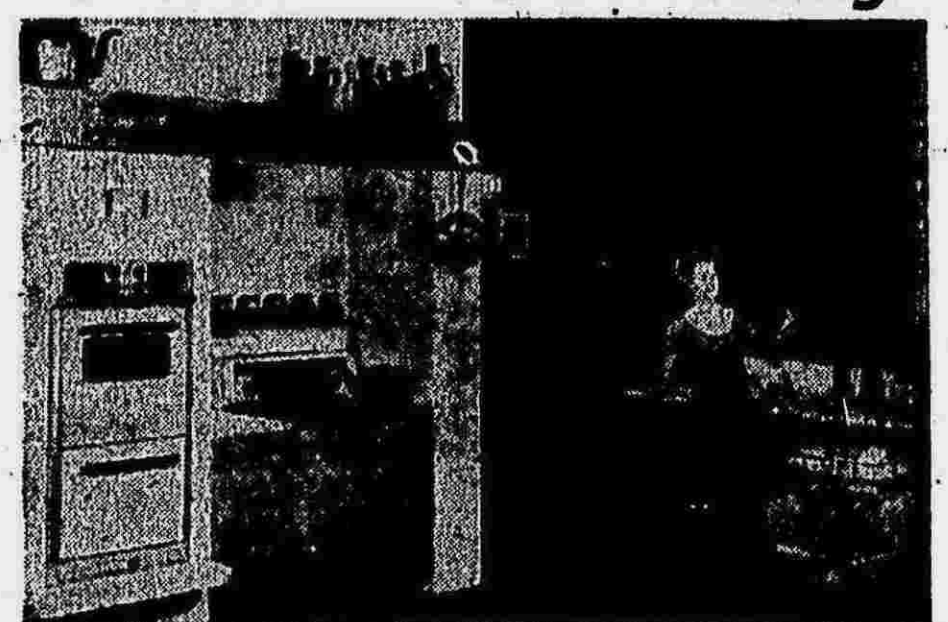

He pointed out that highway hypnosis is a definite expressway hazard and listed the following suggestions for staying alert:

- Avoid heavy, sleep-inducing meals.
- Avoid steady focusing of eyes straight ahead. Keep shifting your vision.
- Wear loose, comfortable clothing.
- Avoid long driving periods, especially at night.
- After the first three hours of driving, make a rest stop every 100 miles.
- Listen to snappy music on the radio.
- Avoid oversmoking.
- Converse with others. If alone, talk to yourself or sing.

- Sielski concluded with these "musts" for safe expressway driving:
- Be dependable and predictable; always signal your intentions.
- Check your rear-view mirror frequently.
- Stay far enough behind the car up ahead—one car length for every 10 miles of speed.
- Keep pace with traffic.
- Check your instruments often—especially for speed and fuel supply.

## Complete Housepower

## Gold Medallion Homes Built For Modern Electric Living

Among the many advantages of living in an all-electric Gold Medallion home today are kitchens like this one with its automatic electric dishwasher, countertop electric range, and built-in double electric wall oven. Not visible in the photo are electric refrigerator-freezer, automatic electric laundry, and big food freezer. Gold Medallion homes also have multiple outlets for electric housewares, and soft, generous lighting.

Which would you rather buy: a house in which you take the electrical features pretty much on faith or one your local electric utility has thoroughly inspected and officially certified a Gold Medallion home?

The latter kind is guaranteed "electrically tops" and nowadays is widely available in almost every size, design and price range. Here are some typical features of a Gold Medallion home:

Adequate wiring—ends fear of blowing fuses. Appliances always work at peak efficiency. Copious outlets and switches—you can plug in your electric housewares, radio or TV almost anywhere you deem convenient. Light switches are abundant to end groping in the dark.

All-electric kitchen—fully automatic electric surface cooking units and oven may be combined in a range or separately located—the surface units "dropped" into an island or a counter. The oven—two if you like—is set waist-high into the wall. The electric dishwasher takes pots

and pans as well as dishes, and washes everything at close to sterilizing temperatures. The refrigerator-freezer never needs defrosting, has storage space galore, keeps perishables store-fresh for weeks—and frozen foods for months.

Year-round climate comfort—air-conditioning and electric heating systems keep indoor temperatures at ideal, more healthful levels all year round. The house stays fresher and cleaner because windows never need to be opened.

Three-way lighting plan—general illumination is ideal, but there also are special lights for work areas over sink, counters and cooking units in the kitchen, for example, and accent lighting to enhance decor.

The Gold Medallion symbolizing these electrical features has other virtues as well. One of the most important is the assurance it gives buyers that a home is all it should be from an electrical point of view. This assurance can be passed on to future buyers, too, if at a later date a family wants to sell.

## Channel Lake News

By Mrs. Pearl Kappel  
The Channel Lake basketball team dropped two games to Johnsbury on February 15. The "A" squad lost theirs by a score of 24-18, the Channel Lake "B" squad was also defeated by the Johnsbury five. The next game will be at Avon at 8:30 p.m. on February 22, and the last home game of the season will see Big Hollow here on March 1. The Channel Lake team is now in third place in the Lakes Athletic Conference. The conference is made up of seven schools, of which Channel Lake is the smallest. Size of enrollment of the various schools ranges from Channel Lake's 149 pupils to Gavin's, about 800.

The men's gym group will not meet at the school on Friday, Feb. 23. Instead, the Cub Scouts of Troop 88 will have a basketball game at the gym.

The next roller-skating party for pupils of the school will be at Twin Lakes on Friday, Feb. 23, at 1:30 p.m.

More February birthdays: Kathleen Chase, daughter of Mr. and Mrs. William Chase, celebrated her ninth birthday on Feb. 16; Terry Runyard, daughter of Mr. and Mrs. John Runyard, was four years old on February 11; Mary Jo Runyard, celebrated her sixteenth birthday on February 12; and Paul Chase, now vacationing in Harlingen, Texas, celebrated his birthday on February 13. Emil Frozeth of Sun-Slide subdivision celebrated his 75th birthday on February 13 with a family dinner.

Diane Runyard, two-month old daughter of Mr. and Mrs. John Runyard, is a patient at Zion Memorial hospital; Mrs. Vivian Breul is hospitalized in Zion Hospital, also. She is Diane's grandmother. Nancy Willett was taken to Victory Memorial Hospital on Sunday after being given oxygen by the Antioch Rescue Squad after having difficulty in breathing.

Beverly Roberts was guest of honor at a baby shower at the home of Mrs. David Strattan on January 26. The Poker Club assisted Mrs. Strattan with the refreshments and Beverly received many lovely gifts.

The Channel Lake Community Club, which held its monthly meeting on February 13, is sponsoring a St. Patrick's Day dance on March 17. The dance will be at the American Legion Hall, with the Rhythm Kings furnishing the music. Refreshments will be available. The dance will start at 9 p.m.

There may be more expert players of volleyball, high ball, basketball and badminton than the group of ladies who met at the gym last Thursday night, but there aren't any more enthusiastic players. I expected to come out of it with sore muscles, but have a sore nose and elbow instead. (A volleyball ball in the face and a clip by a badminton racket on the elbow.) You're probably better at dodging than I am, so try it next Thursday night.

George Blirr, Lake Avenue, and his son Noel returned home on Thursday, Feb. 15, from a motor trip through several southern states—Florida, Kentucky, Tennessee, and points along the way. They found the weather beautiful and thoroughly enjoyed their two weeks away from the cold and snow.

Mrs. Paul Zeien, Jr., is home again after her recent hospitalization.

### FOUNDATION AWARDS \$2,000 FELLOWSHIPS

## TELL ME

WHAT STATE WAS ADMITTED INTO THE UNION... WHEN THE STATE WAS AN INDEPENDENT REPUBLIC?

TEXAS! ITS POPULAR NAME, "THE LONE STAR STATE" REFERS TO ITS FLAG WHICH BEARS A SINGLE STAR. THIS WAS ALSO THE EMBLEM OF THE REPUBLIC OF TEXAS!

WHEN... AND WHY... WAS THE U.S. SECRET SERVICE ORIGINATED?

THE SECRET SERVICE WAS FOUNDED AS A DIVISION OF THE TREASURY DEPARTMENT AT THE END OF THE CIVIL WAR... TO COMBAT COUNTERFEITING... WHICH WAS THREATENING THE MONETARY SYSTEM OF THE COUNTRY!

WHICH IS THE MOST SENSITIVE OF ALL ANIMALS?

THE CAMEL! IT WILL DIE AT THE SIGHT OF A DEAD CAMEL!

HOW DOES THE LIGHT REFLECTED BY THE EARTH COMPARE WITH MOONLIGHT?

LIGHT REFLECTED BY THE EARTH EQUALS MORE THAN A DOZEN FULL MOONS!

WHY DOES A LOST PERSON ALWAYS WALK IN A CIRCLE?

BECAUSE... AMONG HUMAN BEINGS... ONE LEG IS INVARIABLY A TRIFLE SHORTER THAN THE OTHER!

IF A CRAB LOSES A CLAW... CAN IT GROW A NEW ONE?

YES... CRABS ARE ABLE TO GROW NEW CLAWS... A PROCESS KNOWN AS REGENERATION!

WHAT ENABLES A MEXICAN JUMPING BEAN... TO JUMP?

THE LITTLE WORM INSIDE! AS IT WIGGLES AROUND... IT CAUSES THE BEAN TO MOVE!

HOW DID THE TERM... "CON MAN" COME ABOUT?

"CON MAN" IS THE SHORTENED FORM OF "CONFIDENCE MAN"... A SWINDLER WHO GETS HIS NAME FROM HIS CHARACTERISTIC REQUEST FOR AN ADVANCE... "TO SHOW YOUR CONFIDENCE IN HIM!"

SCOUT NEWS

TROOP 82, ANTIOCH, ILL.  
We opened the meeting at seven o'clock. They had a patrol and Greenbar reports. They elected Martin Lulofs troop scribe. Glen demonstrated how to pack a pack, and to roll the sleeping bag on a pack. We broke up for advancement. We had exercises. We had a game. We closed the meeting at nine.

Signed  
Martin Lulofs

GIRL SCOUTS  
By Mrs. Raymond Claffy  
El. 6-5066

Intermediate Troop 110 of St. Peter's School of Antioch had a Valentine party at the home of their leader, Mrs. Homer Fox. Joan Solar was chairman of the committee for this occasion. Assisting her was Mary Ellen Tiesling and Laura Palenick. This was a part of their homemaker badge. Each girl made her own original valentine for a personal name drawn. Some of these were pretty clever and artistic. They played games and refreshments were served.

Troop 211 of Venetian Village on Wednesday evening, Feb. 7, enjoyed as their guest, Mrs. Carter, beautiful of Venetian Village. She spoke on the care of the hair, skin and nails. There were 11 girls and 4 adults present. Their leader is Mrs. Ruckholdt and their journal is Barbara Ruckholdt.

Intermediate Troop 173 of Lindenhurst had a Valentine party Wednesday afternoon, Feb. 14, at the Civic Center. There were 14 girls present and they played games. Their refreshments consisted of valentine decorated cakes with pink popcorn, pink lemonade and pink candy. Everyone enjoyed themselves including the leaders, Mrs. Babe Standford and Mrs. Howard Klister.

Odanah (Fox Lake) area Intermediate girls had a roller skating party Feb. 9 at Twin Lakes, Wis., donated by the owner, Mrs. Dunn, in honor of Girl Scout Week. There

were approximately 20 girls and 6 adult leaders with 2 adult mothers present. A good time was had by all.

Odanah will have a display in the Fox Lake Public Library for the four weeks in March.

They are also planning an official Red Cross and First Aid course in the near future. This will be professionally instructed. This will be a good refresher course as well.

LIBRARIES FOR BLIND  
According to the American Foundation for the Blind, though there are now 65,000 blind readers registered with libraries for the blind, there are probably at least 120,000 potential library users; but as yet too few blind people have heard of this service.

**WHAT IS A TRUST?**  
Lawyers and bankers seem prone these days to tell us how useful a "trust" can be in disposing of property, without ever explaining just what a trust is. To many of us, the word "trust" connotes something undesirable, probably as a result of common terms such as "anti-trust laws" or "trust-busting," which apply to monopolies.

However, the type of trust referred to here is one of the most effective devices for protecting widows and orphans.

An example best illustrates the nature of a trust. Suppose Tom owned a farm, and wants to leave it to his wife and children after his death, but he realizes that his wife is unacquainted with farm management, and that it will be many years before the children are old enough to take over.

Tom can provide in his will that the farm shall be placed in a trust. Then, when Tom dies, title passes to a person, called the "trustee", whom Tom has designated to manage the farm until the children are capable of taking over. The trustee is obligated to operate the farm and to pay the income to Tom's wife and children, the "beneficiaries" of the trust.

This arrangement continues until the trust is terminated in accordance with directions in the will, and the children take title to the farm and hold it free and clear of the trust.

This same sort of trust arrangement can be used with any type of property, such as stocks, money, or a business. Normally property is placed into a trust only if it produces income. For example, it would be impractical to put your car or your stamp collection into a trust.

**Duties of the Trustee**  
The trustee can be an individual or a corporation. In Illinois a corporation cannot act as trustee unless it first qualifies to act in that capacity. The trustee is not free to do as he pleases with the trust property.

He is under an obligation to manage and invest it prudently, so that it produce the highest income consistent with safety. He is obligated

to pay income to the beneficiaries or to accumulate it for their benefit; as directed in the trust, and to make a proper distribution of assets when the trust is terminated.

**Fay for the Trustee**  
Naturally, the trustee is entitled to receive compensation for his work. An individual whom you name as trustee may not choose to charge you for anything other than his expenses, but he may die or move away, or be unwilling to undertake the responsibility. For these reasons the use of trust companies as trustee has grown popular.

However, the trust arrangement may not be practical for some small properties if a corporate trustee is to be used, because the charges may be out of proportion to the value of the trust property.

**Tax Savings Through Trusts**  
Trusts need not be connected to a will. They may be set up to begin during the lifetime of the person creating the trust, and may be subject to revocation by him during his life, or irrevocable. Also, the proceeds of insurance policies may be placed in trust.

There are estate tax and income tax advantages to be gained by careful use of the trust device. These advantages are most important in connection with substantial estates, and require the consideration of competent counsel for appropriate use.

Most people when they hear the term "heart disease" think of a heart attack, not realizing there are many forms of heart disease. Various veins, high blood pressure, strokes, rheumatic heart disease, congenital heart disease, hardening of the arteries—these are all forms of cardiovascular disease, which the Heart Council of Lake County strives to combat through its vigorous research, education and service programs.

## SPECIAL OFFER:

**One dollar puts a new flameless electric range in your kitchen**

**Free installation—limited time only**  
**Any make or model of electric range**

*You must be satisfied or your money back*

**You'll like cooking the modern electric way! Here's why:**

Your kitchen stays clean twice as long, because with Flameless Electric Cooking there are no flames to make soot or dirt \* Your kitchen stays at least 10 degrees cooler, too, because your electric oven is insulated on all six sides (not just five) \* Radiant electric ovens cook the juiciest roasts you've ever tasted \* Radiant electric broilers heat up instantly

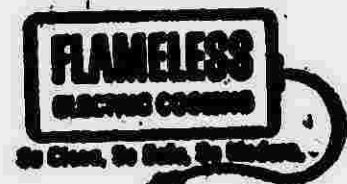

... no preheating needed, so you save time... and when you cook a steak electrically it looks like it was charcoal broiled \* Electric surface units practically clean themselves—and pots and pans stay bright and shiny. And electric ranges are so economical to operate.

**NOTE:** This special dollar-down offer applies to a standard white installation for an electric range in any single-family dwelling served by Commonwealth Edison or Public Service Company and includes necessary wiring.

# Old Fitzgerald Team Beats Antioch All-Star Bowlers

By Mrs. Pearl Magill

A full afternoon of entertainment was provided for local bowling enthusiasts Sunday when the Old Fitzgerald team of the Chicago Classic League defeated the Antioch All-Stars and "Gabby" Hartnett defeated Roy Bertrand in matches at the Antioch Bowl.

With the crowd impartially cheering both men on, Roy couldn't hit the pins hard enough to defeat the old-time great of baseball catchers. Hartnett totaled 495 pins for the three game match and Bertrand 487. The lower donated a dollar a pin for every pin in the difference of the

two scores to the Rescue Squad Fund. In addition, a baseball autographed by "Gabby" was auctioned off to the highest bidder. Bertrand is the owner of the Bertrand Lanes in Waukegan and Hartnett is proprietor of the Hartnett Lanes in Chicago.

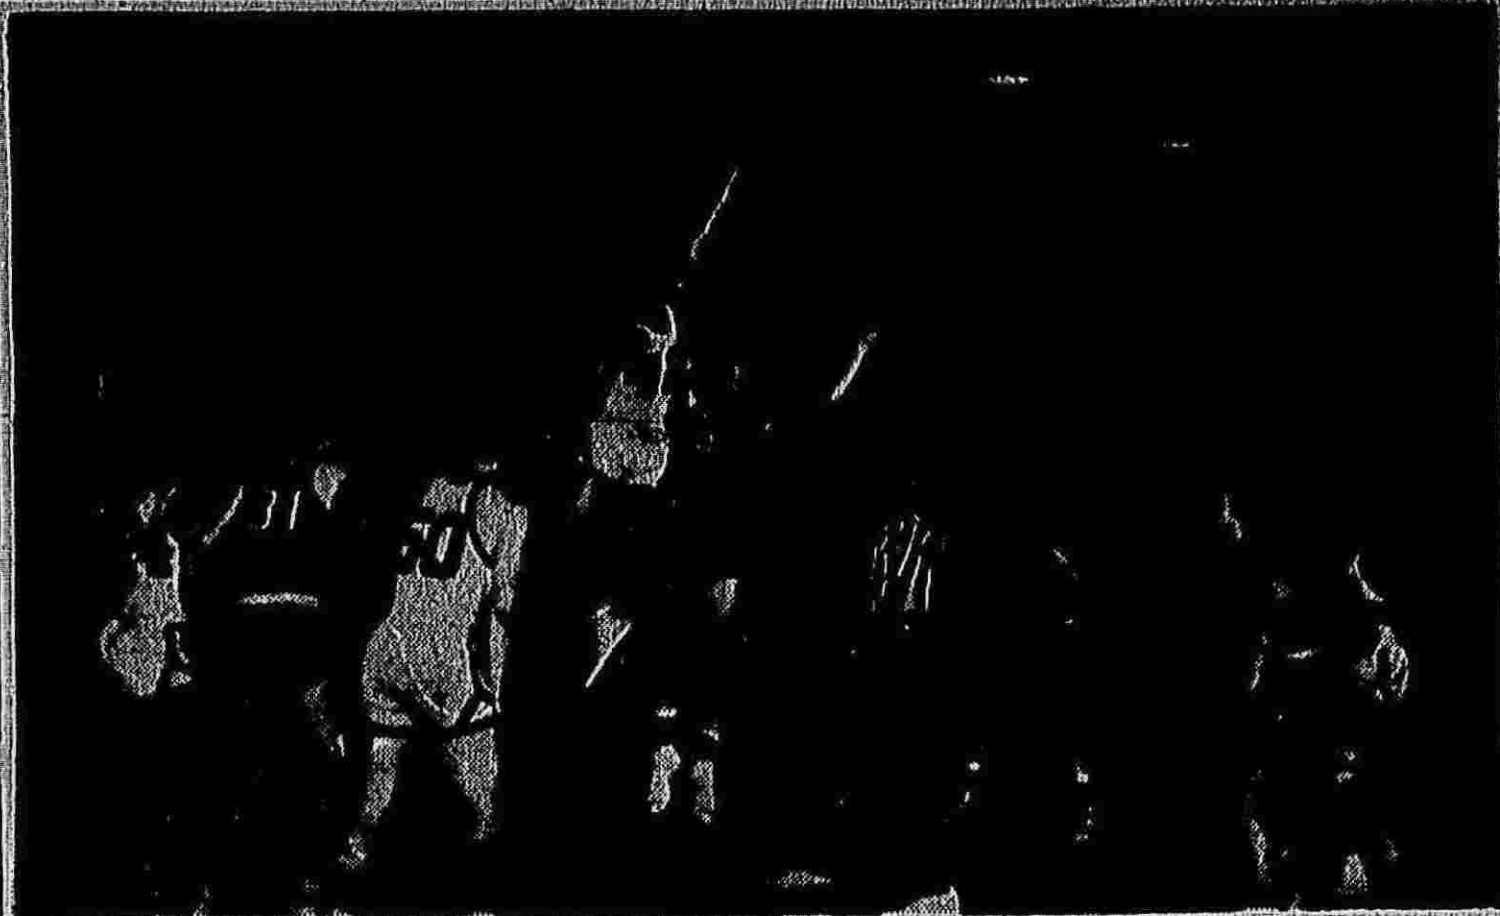

With two of the best local bowlers unable to get going—Joe Sterbenz and Glen Jobey—the Antioch All-Stars lost all three games and the match. The All-Stars were made up of the five highest average men in the Antioch Major League—Carl Newman, Bob Kraft, Joe Sterbenz,

Glenn Jobey and George Sargent, who was high man for the day with 705, with "Skinny" Gerretsen standing by as alternate. Members of the Old Fitzgerald team were Al Jordan, high man for the Chicago Classic team with 668—Roy Rosland, "Dutch" Hoffman, Jim Stefanich, and Otto Niehus.

Total scores in the match were: First game: All Stars, 973; Old Fitzgerald 998; second game: All Stars 971, Old Fitzgerald, 1055; third game: All Stars 1027, Old Fitzgerald, 1076.

The match between the local stars and the Old Fitzgerald team has become an annual event, with proceeds going to charity. This year the Antioch Rescue Squad received donations of \$103.40 from the afternoon's entertainment.

Truman Gerretsen was the highest bidder for the Hartnett baseball, paying \$10 for the ball which he in turn donated to the Rescue Squad for further fund-raising use.

EVERYTHING WAS AT STAKE as Antioch and Round Lake Chargers met in the all-important, title-clinching game last Saturday night in Antioch. The Panthers, with the Sequoits fighting them down the line, took the vital win in the closing seconds of the game 70-68.

## 3 Sequoits Foul Out of Contest

By Howard Shepard

Antioch's conference title hopes went aglimmering Saturday night on the strength of a 17-foot last second jump shot by Round Lake's Roy Johnson.

The defeat was one of the most bitter since I have been coaching," said Coach Leon. Playing on the Panthers' home court, the Sequoits fans watched in horror as the Round Lake crew whittled away an 11 point lead and finally capped it off with Johnson's jumper.

The win gave Round Lake at least a share of the conference title and they have only to get the Grant's Bulldogs (1-11) Friday, to clinch their first undisputed title of any kind.

Fouls hurt the Sequoit cause more than anything as the Antioch crew gave up 32 violations, 15 in the final quarter. "The team has been averaging 17 fouls per game," said Leon, "and this is the most we've ever had in one game."

Round Lake attempted to slow the pace from the outset, controlling the ball and waiting for the "good shot." The two squads battled to a 13-12 count at the first quarter mark, but the pace picked up somewhat in the second period and the score was knotted at 29-29 by halftime.

Leon's charges surged into a 7-point third quarter lead at 34-47, and had increased it to 11 points, 67-56 midway in the fourth quarter. At this point the officials decided to get into the game in earnest and three Antioch regulars and two from Round Lake were whittled out of the game in rapid succession.

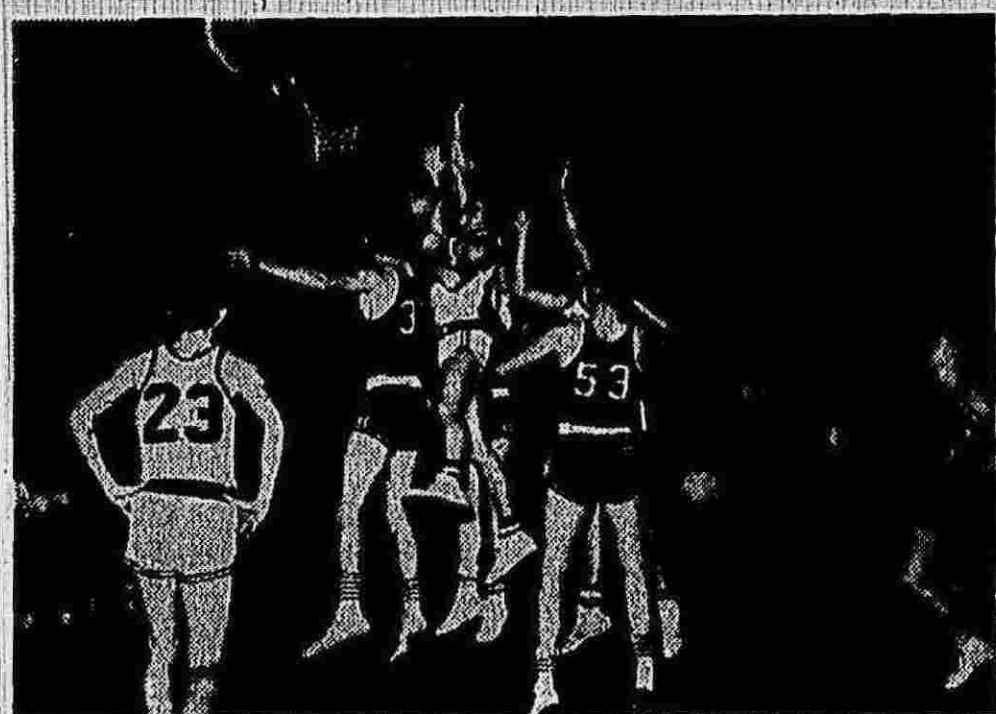

Bob Krieger was the first Sequoit to go via the referee's whistle. He was quickly followed by Doug Lang at 3:15 and then John Hallwas at 2:15. This loss in manpower critically injured the Sequoit attack and they could manage only one more point for the final 3 1/2 minutes of the contest.

The Panthers, however, countered with 11 straight points, 5 on free throws.

With the score board reading 68 to 59 with 2:58 left, Zepka pushed in two free throws and Diana added a lay-up and another charity toss reduced the margin to 4 at 68-64.

Two more free throws and a lay-up by Gibson knotted the score at 68 all with one minute and 11 seconds left. After an Antioch time out the Sequoits failed to score on an inbounds play and Round Lake grabbed off the rebound.

The Panthers maintained control and called time out with four sec-

HEAD AND SHOULDERS arched upward in an attempt to control the elusive basketball by both Antioch and Ela-Vernon players. The Sequoits took the Friday night win only to have their championship hopes dashed the following evening.

# Sequoits Win Slim Victory Over Battling Ela-Vernon

By Jay Nash

A nip-and-tuck battle ensued last Friday night between the Antioch Sequoits and the Ela-Vernon Bears, the contest going to Antioch 64-60.

Coach Larry Leon's Sequoits, who probably expected a less-fought-for win found the Bears matching them almost point for point through the see-saw quarters.

The first-quarter action showed the Sequoits bounding slightly ahead for a 4-point margin, 15-11. However, their lead was cut down somewhat when the Ela-Bears, led by Greskowiak's sharp-shooting attack both from the court and free throw area, edged ahead by picking up one point in the second quarter.

The opening of the second half, with a standing score of 28-25, saw both squads increase their attacks

onds left. As play was resumed, Johnson took the pass from out of bounds and pumped in the winning field goal from 17 feet as the final gun sounded.

Johnson was high point man for both squads, hitting on 8 field goals and 10 free throws for a total of 26 points. John Hallwas, Antioch junior, gave an outstanding performance in collecting 8 rebounds and dumping in 20 points before he was whittled from the game. Bob Kubicki added 13 counters and Bud Dittman collected 8 points while doing a good job defensively in holding another scoring ace, Mike Sarocco, to 12 points.

It was "Jumping John" Hallwas, however, who kept the Sequoit hopes alive throughout most of the fourth quarter.

The Antioch B's took the decision in the opener 68-63.

by forging for extra points, the margin going to the Sequoits by one point. The third quarter ended with a 46-42 score.

Battling down to the finishing seconds of the fast-breaking game, the final quarter became a tug-of-war for the ever-escaping lead. In the last four minutes, the score being tied 52-48, Kubicki and Pleviak pumped in two field goals for the Sequoits, rocketing the score to 59-52.

Greskowiak came back for Ela by scoring three points, his third toss given free after being fouled in the act of shooting.

Kubicki fought back by scoring a 20-ft. jump shot which boosted Antioch to a 58-55 score.

Following Kubicki's basket, Mann of Ela hit on a jump-shot also, jacking the tally to 58-57.

With 42 seconds of play left, Ozga completed two free throws after being fouled. The score then stood at 60-57.

Only 34 seconds remained in the game when Ela's Greskowiak tallied 3 points and tied the game 60-60.

Bud Dittman, with 9 seconds left, was tied up and his jump ball placed Antioch in shooting position, Ozga making the tie-breaking lay up.

Doug Lang added two more points to the Sequoit victory by tossing in another jump shot just as the gun

## Parents of Team Have Their Night

A pep assembly Friday afternoon and the holding of the third annual parents night later in the evening will mark the last conference basketball contest of the season at Antioch High School.

The game, which will decide who will remain in second place in the conference race, will be witnessed by the parents of squad members.

The introduction of players and cheerleaders' parents will be held immediately preceding the game. A special section has been reserved behind the scorers' table for the seating convenience of parents.

The only remaining game on the regular schedule will be played at Antioch March 3 against North Chicago. The Sequoits then move to Libertyville for the State Regional Basketball Tournament March 8, where they will face off against Barrington in the first round of play.

## Standings

### SOUTHEAST CONFERENCE STANDINGS

## Falcons Sweep To Southeast Title

The Salem Central Falcons won the Southeast Conference title Friday and completed the season undefeated as they rolled over Waterford 67 to 42. Playing at Waterford the Falcons jumped off to a first quarter 13 to 7 lead.

The game was never in doubt after that as Coach Grams' charges took command and outscored their opponents in every period.

Sporting a 29 to 21 bulge at halftime the Falcons boosted it to a 47-33 count by the end of the third stanza. The Falcons dumped in 20 points in the final quarter as the ineffectual Waterford five could only manage 9 counters.

John Zeihen took over the honors in the scoring column with 24 points on 10 field goals and 4 free throws. The usually high scoring Yates had to settle for back seat laurels with 20 points (9-2). Mueller was high for the losers with 10 points.

The Salem frosh-soph squad also finished an impressive season with an easy 80 to 23 win over the Waterford B's.

With the completion of the regular season the next action for the Falcons will take place on their home court Thursday, March 1, as they will again play host to the sub-regional of the Wisconsin State basketball tourney.

## Lake Villa Loses To Grade School

The Antioch Grade School Basketball team, playing on Friday night, February 16, at 4 p.m. won their game against Lake Villa, 46-26.

Bill Meyer was high man for the Antioch squad, putting in the majority of the points scored.

Loren Volk is the coach of the Antioch squad.

## Warren Upset By Wauconda

The Warren Blue Devils, riding the crest of a second place wave, were upset by a determined Wauconda squad last Friday night in Gurnee. The Bulldogs beat the Blue Devils 77-74.

The win marked the first victory by Wauconda over Warren in five years and gave the Bulldogs their second win in 12 conference games.

Leading from the first quarter's action, 20-16, Wauconda went into the second stanza with the Blue Devils in hot pursuit of the lead. Halftime found both squads in the neck-in-neck tie, 40-40.

Warren pulled ahead in the third quarter 59-56.

Coming into the fourth stanza, Warren increased its dominant lead by maintaining a seven-point margin over the Bulldogs, 69-62.

The plucky Wauconda players, with only four minutes of play remaining, fought down to a 69-69 tie score. This drive was led by Gordie Hughes and Mike Freund.

With 58 seconds left in the game, after both teams had scored buckets, John McClure of Warren sunk a free throw which handed the edge to the Blue Devils, 72-71.

Putting out a final blast of energy, the Bulldogs, led by Eiters, Freund and Hughes surged ahead to contain the victory for Wauconda.

The Bulldogs also took the frosh-soph contest, 55-45.

## Round Lake Wins Over Rams 86-76

The hard-pressing Grayslake Rams, formidably led by rangy Don Hawkins, could not stop the winning onrush of the Round Lake Panthers last Friday night. The contest, which at the offset favored the Rams, ended with a Panther triumph, 86-76.

During the first quarter's action, the Rams pushed ahead with a 5-point lead which was soon cut down to a 20-20 tie by Round Lake. The second quarter was sparked by action from both squads but saw a slim margin of 2 points going to the Panthers, leaving the score standing at half time, 38-36.

George Sherman and Ed Zepka tossed in 6 buckets to sky-rocket the Panther score in the third quarter 64-57.

Sarocco, who added his team with 13 points, helped to keep the Panther lead in safety during the final stanza.

Hawkins scored 25 points for Grayslake but the tally did not prove to handicap the sharp-shooting Panthers.

This victory, coupled with the win over Antioch last Saturday night in Antioch, placed the Panther squad in a co-title spot in the Northwest Suburban Conference race.

Gutter Ball Girls Tuesday, February 12

High team series, State Bank, 748-760-683-2191.

High scorer, Donna Petersen, 190-149-170-509.

## Bulldogs Lose to Lake Forest Team

The Grant Bulldogs, still attempting to play out of the cellar, were soundly whipped by a fast-breaking Lake Forest team last Friday night, 92-63.

The Scouts, led by Weshinsky, Spitzer, Ekdahl and Seaborg, steam-rolled over Grant in the first quarter as they built up a 25-11 leading tally.

Doubling their score at halftime, the Scouts confidently walked off their own court with a massive 50 to 31 lead.

The remainder of the game showed no challenge whatsoever from the Bulldogs as the Scouts went through two quarters while racking up another 42 points.

Lake Forest boasted a 58 per cent shooting average for the entire game. Seaborg with 23 points, Spitzer with 21 and Weshinsky with 18 were the Scout chargers responsible for the average.

Top shooters for the losers were Wayne Patterson and Joe Savage with 13 points each.

Grant's frosh-soph quintet also lost to Lake Forest, 71-49, giving the Scouts their third straight conference title.
